TRANSITION is a continuous flowing from past to present to future. Changing times, situations, and attitudes demand that former aims be discussed and evaluated. These redefines aims are used to lead to a better self-understanding. New outlooks flow from understanding, and the progression continues.

Fr. Sinnott in a key position for change

Father James Sinnott, O.S.A., is the prior of St. Rita Monastery, a key position in the process of change and amendment of policies at St. Rita High School. In the past, the role of prior in the Augustinian community has been to strictly preside as father of the priests and brothers; but as a result of recent changes in the Augustinian Constitutions and Statutes, the priests and brothers now share in the decision-making at meetings called conventual chapters.

Father Sinnott is also the Assistant Superintendent of Augustinian Schools of the Midwest Province and he is on the Board of Directors of the Augustinian Educational Association. Father is also Associate Principal of St. Rita. His authority extends to all aspects of the principal's function in the event of emergencies or the extended absence of the principal.

Fr. Trusch commends educational efforts

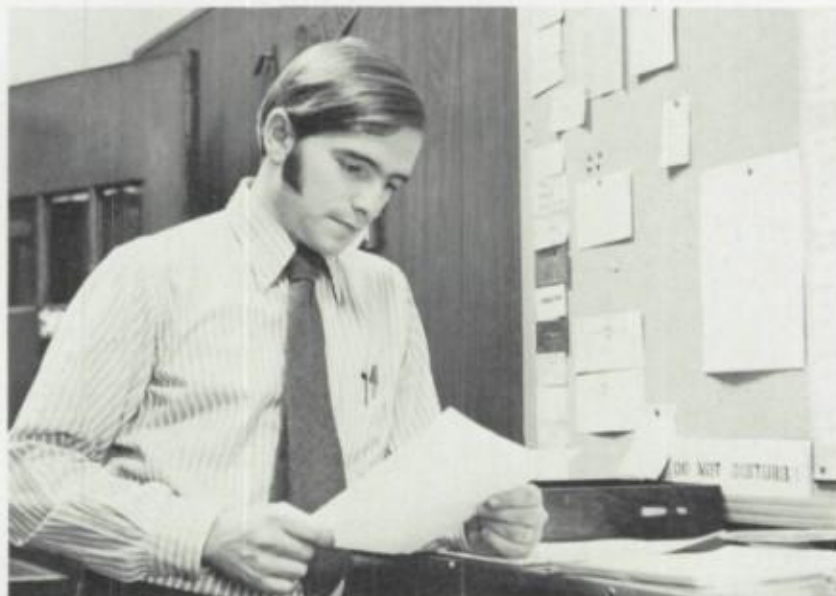

Fr. Daniel B. Trusch, O.S.A., since coming to St. Rita High School in 1969, has done an outstanding job as principal of St. Rita. In his executive position, one purpose is outstanding — the betterment of St. Rita High School as an educational institution.

Fr. Trusch commends the Administration, the teachers, and the students for the fine job they have done in making St. Rita a better place to learn. He was especially pleased with the effort of the entire school during the visits of the Augustinian Educational Association committee and the North Central Association. The commendations of these two professional organizations acknowledged the great dedication of the students, the faculty, and the Administration.

Administration praised by North Central

The administration, in accordance with its philosophy of Christian education and development, knows the value of communication between it and the students. The administration encourages the development of a meaningful relationship between students and the school.

Members of the administration meet twice a week to discuss current issues in the school and plans for improvement. The North Central Accrediting Association's visit to St. Rita in November helped the administration define the purposes and aims of the school. The Association praised the school for its improvements since its last visit in 1963 and pointed out areas where further progress could be made.

Mr. John Erb, Activities Director, examines schedule of events before announcing it over the P.A.

Fr. William Thomas, Director of Discipline, handles Freshman and Sophomore discipline.

Junior-Senior disciplinarian Fr. Francis McDonnell checks on a student's excuse for absence before admitting him to class.

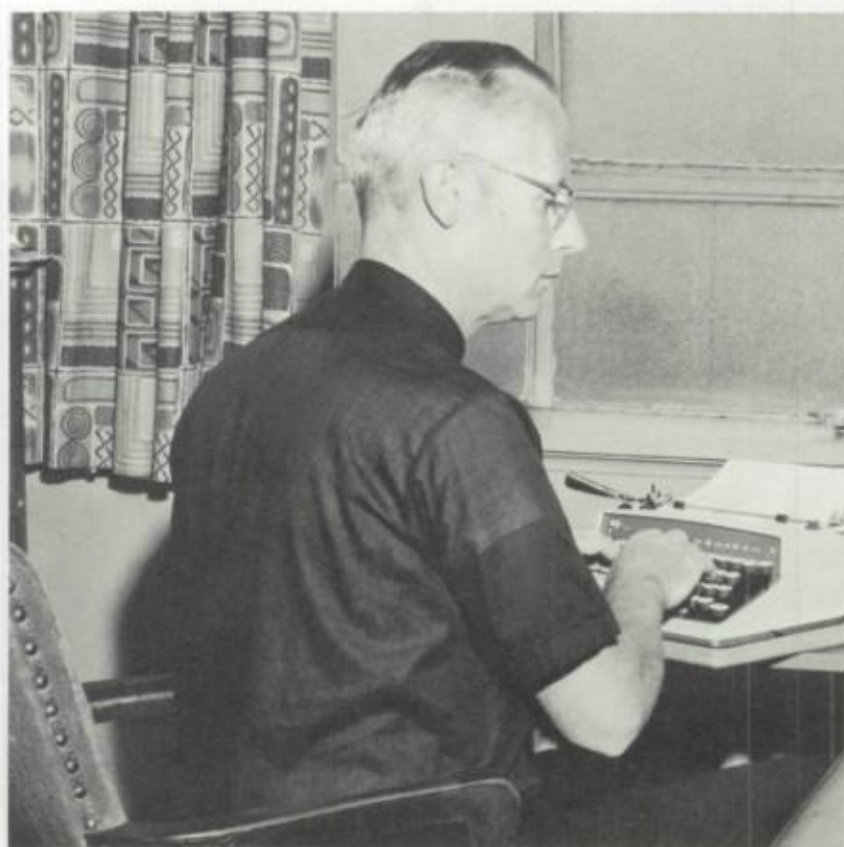

Assistant principal Fr. Richard Allen helps manage academic manners in the school. He also moderates the Mother's Club and became acting Athletic Director in November of '69.

Guidance department adjusting to needs

The St. Rita Guidance Department is going through a period of adjusting to the needs of the students.

It is staffed by Mr. Roman Zalatoris, Fr. John Sattler, O.S.A., Fr. Walter McNicholas, O.S.A., Mr. Thomas Schevers, Mr. Mel Duque, Fr. James Sinnott, O.S.A., and Fr. Richard Allen, O.S.A.

The Guidance Department's main goal is to assist the student in school and personal problems, and help him prepare for the future. Individual interviews with each of the seniors, and small group counseling for the Juniors, Sophomores, and Freshmen help to accomplish this goal.

Fr. McNicholas types out data for students personal file.

Fr. John Sattler was junior counselor and holds a M.A. in guidance from DePaul University. He came to St. Rita in 1967 and was actively engaged in Youth Ministry programs for the Southwest side of Chicago.

Fr. Walter McNicholas, O.S.A., who came to St. Rita in 1964, is the new Athletic Director and Moderator. As part of the Guidance Department, he is sophomore counselor. He holds a S.T.L. from the Georgian University in Rome. An avid sports fan, Fr. McNicholas takes special interest in football, basketball and baseball.

Mr. Roman Zalatoris has been at St. Rita since 1952. He is Chairman of the Guidance Department and holds a M.A. degree in Guidance and Counseling. Mr. Zalatoris is Chairman of the school board of Our Lady of Vilna-St. Paul. In his spare time he enjoys bowling, reading and pro football.

Theology taught with "new look" liturgies

The Theology department, under the direction of the new school chaplain, Fr. Donald Lewandowski, planned for a "new look" into theological discussion by means of the kerygmatic approach to teaching theology.

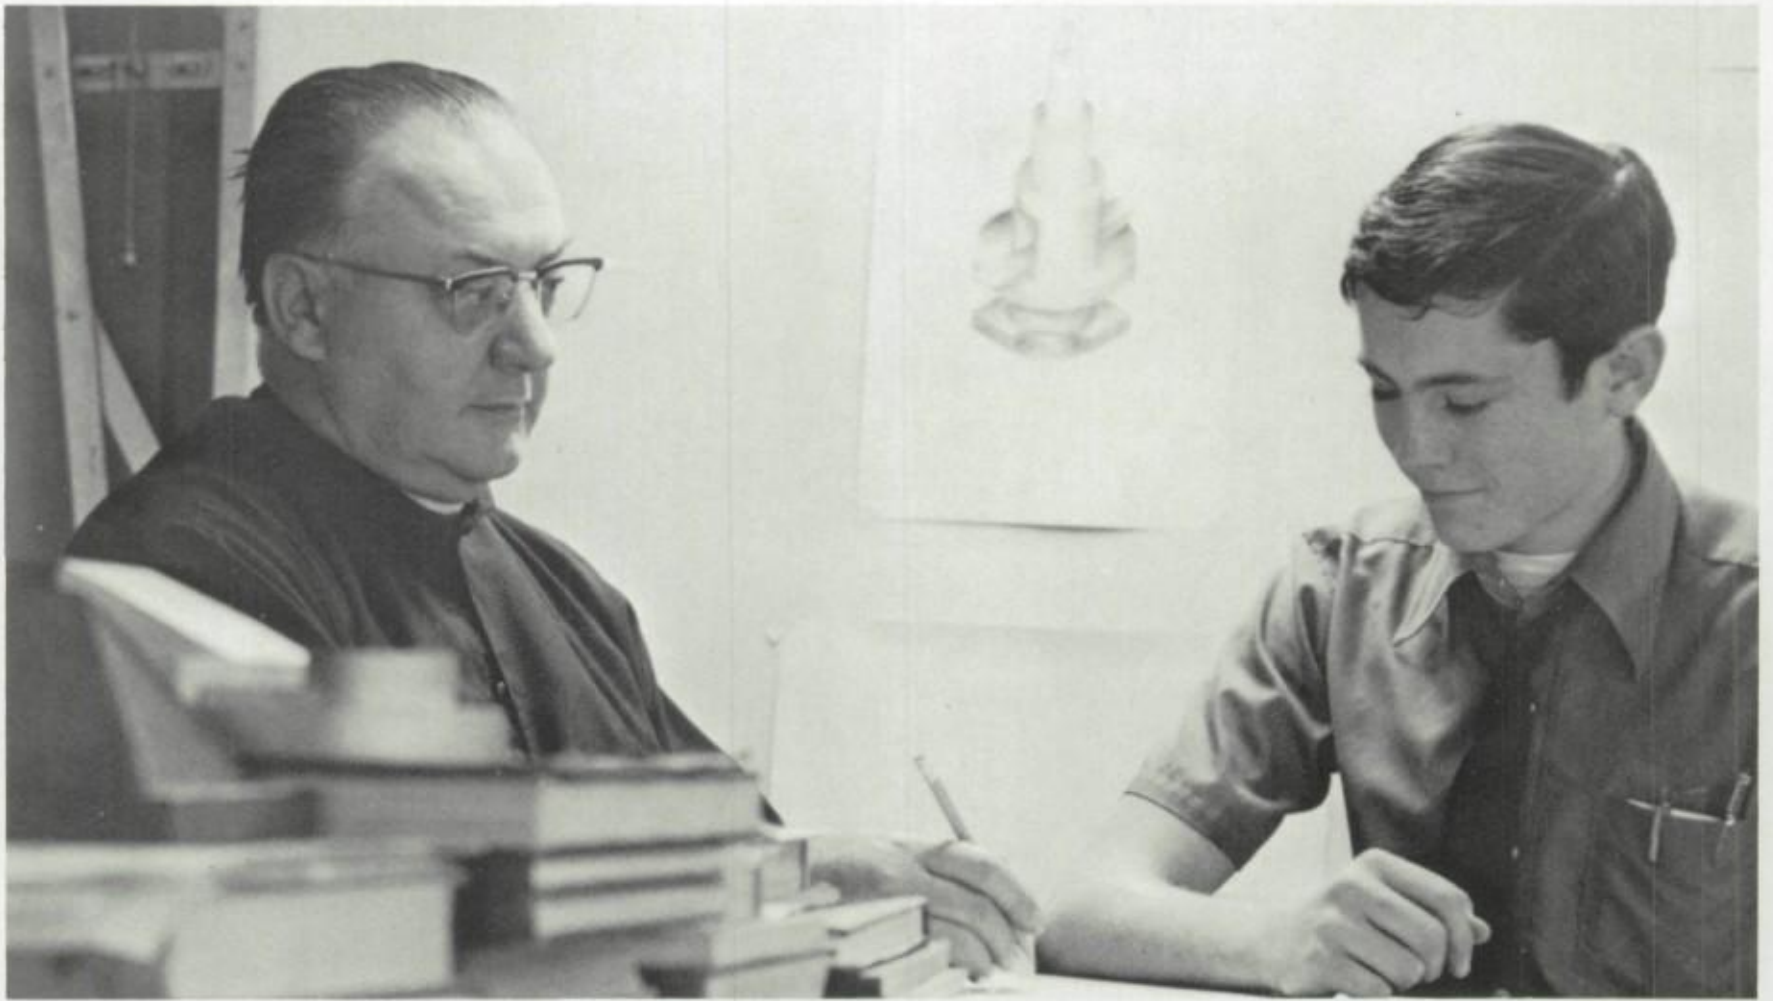

The kerygmatic system states that God's work is represented in the liturgy. In the spirit of this plan, student participation masses in which students supply topics and readings have been established.

Fr. Lewandowski and the Theology department also aids the school in counseling students and in setting up retreats like the "Teens Encounter Christ" retreats for seniors and inter-school retreats for juniors.

"Ethics," a new type of theology oriented course was instituted this year. This course dealt with a more practical interpretation of religious teaching and the problems of growing teens.

Fr. Donald Lewandowski, who came to St. Rita this year, is the new school chaplain and chairman of the Theology department. He teaches Theology I and II and moderates the Pep club. He holds a B.A. degree from Tolentine College and besides liking football and hockey, he enjoys the friendly attitude of students and his fellow teachers at St. Rita.

Mr. Thomas Schevers, another newcomer to St. Rita, belongs to the Theology and Guidance department. He holds an A.B. degree from Loyola University and besides having taught Religion III and counseling freshmen, he put in graduate work. Mr. Schevers is co-moderator of the Knights of Augustine and is interested in sports and writing.

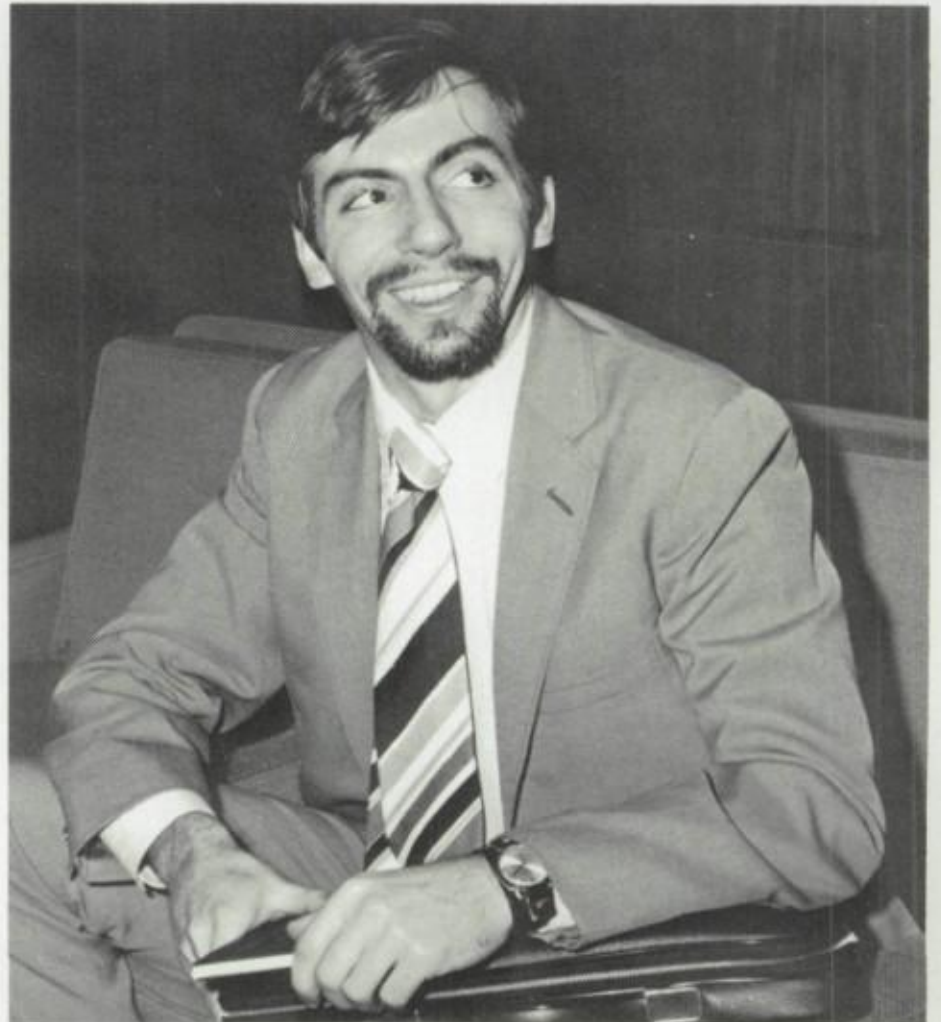

Fr. Thomas McCowan was in his third year back at St. Rita. He taught Theology III and Mechanical Drawing, and also became moderator

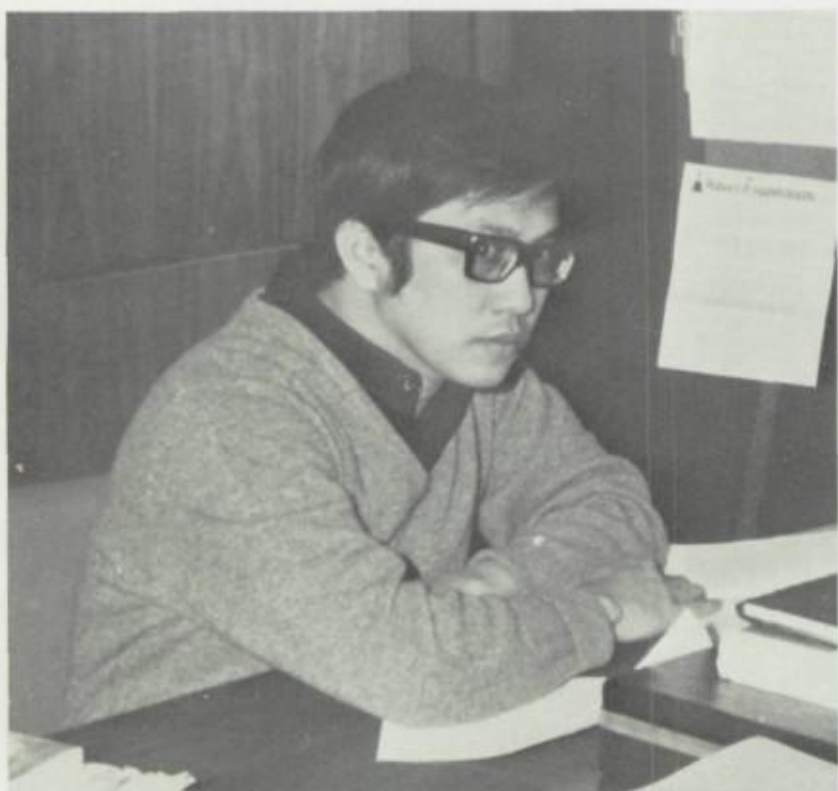

of the St. Rita H.S. Alumni Association. He received his B.A. degree from Villanova University.

Fr. Edward Phalan was in his second year in the Theology Department at St. Rita. He taught Theology II and III. He did his degree work at Notre Dame and DePaul.

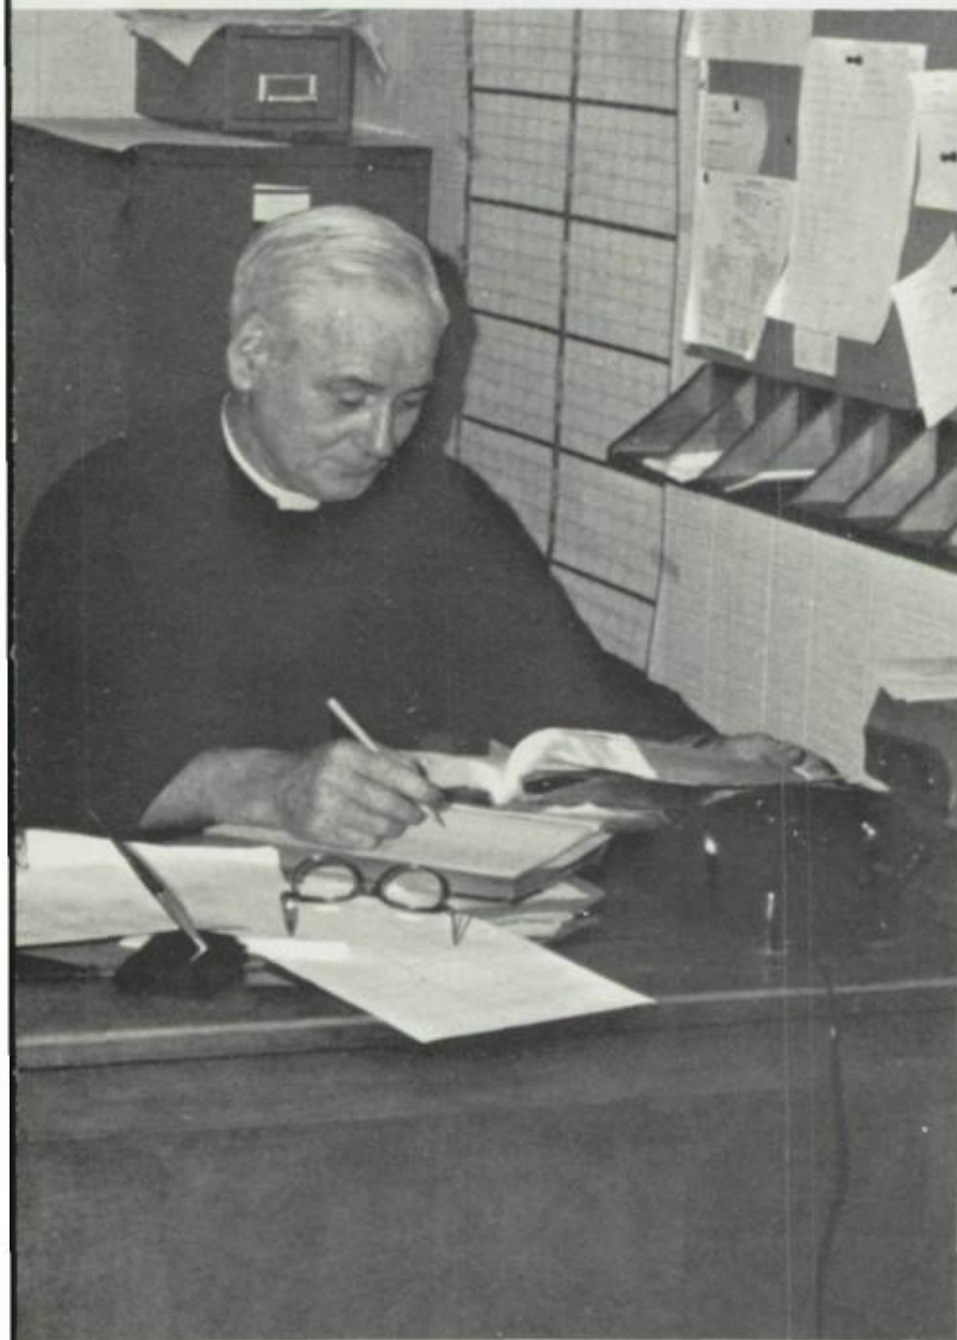

Mr. Joseph Corrado was in his first year at Rita. Mr. Corrado, who taught Theology IV, received a B.A. in Philosophy from St. Mary of the Lake Seminary. He also has a master of arts degree from Loyola University, where he also teaches.

Fr. Vincent M. Balbin taught history and religion to freshmen and sophomores in the half year he was at St. Rita. He has had a wide range of teaching experience in the Philippines and the U.S. over the last seven years. He had much praise for the inquisitiveness of Rita students.

Mr. John Rybka was in his second year at St. Rita and taught Theology and Latin. He received his B.A. degree from Loyola at Niles. He enjoys basketball, bowling, and golf.

Above: Fr. James McCloskey has been at St. Rita since 1965. He has taught Theology I and II and has at times assisted the Office of Discipline. He received his B.A. degree from Villanova.

Left: Fr. Leo Cavanaugh, who taught Theology, has been at St. Rita since 1951. He received a B.A. degree from Boston College, and has done graduate work in economics at the Catholic University. He enjoys sports.

English Department sets future goals

The English Department of eight years ago lacked organization. It had no regular teaching plan and lacked qualified and experienced teachers. The traditional method of teaching English was in effect. Teachers concentrated on grammar and there was no outside reading. In-depth analysis of literature was unheard of.

Things have changed and Dr. Donald Racky, chairman of the department, has been the decisive factor. On paper and in action the English Department has one of the most experienced and organized staffs in the school.

This year's staff is writing down explicit results of past literature programs and is preparing departmental tests to determine the competency of next year's students. Teachers will concentrate on improving exactness in writing and teaching skills. Students will analyze literature, novels, short stories, and poetry. They will learn and apply skills to derive the theme and observe multiplicity in literature.

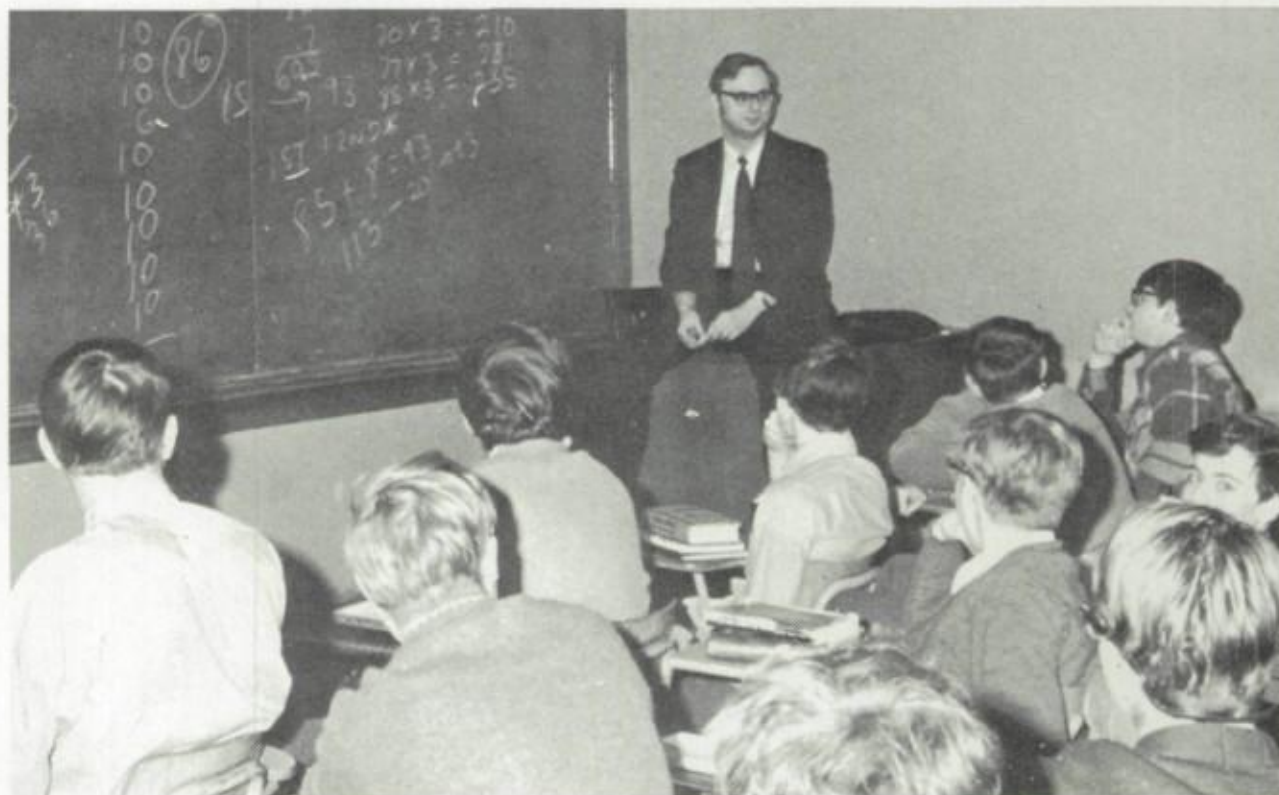

Freshmen will concentrate on grammar and sophomores will specialize in sentence structure. Juniors will study ideas in writing and seniors will concentrate on understanding how literature and writing are united. Honor sections will complete these steps at a quicker pace and go on to a more detailed study of literature.

These improvements in the organization and content of English courses will pave the way for additional Advance Placement classes and a greater knowledge and understanding of literature for the average student.

Mr. James Boro, a new teacher, taught German I and II and English. He holds a B.A. degree from Northwestern University. His interests range from African Studies to modern literature, British philosophy, psychoanalysis and anthropology.

Mr. Edward Dudek taught English I and II and earned a B.A. degree from De Paul University. He came to St. Rita in 1967 and was impressed by the student's willingness to learn. His hobbies are music and writing.

Mr. Donald Racky, who came to St. Rita in 1959, was chairman of the English department and taught Advanced High School English, English I and III. He holds a Ph.D in English from Loyola University. Dr. Racky was also St. Rita's publicity director, moderator of the Ritan

and National Honor Society. In addition to position as Vice-President of the Teacher's Association and chairman of the TWPPC committee, his hobbies are talking, traveling, golf, reading and camping.

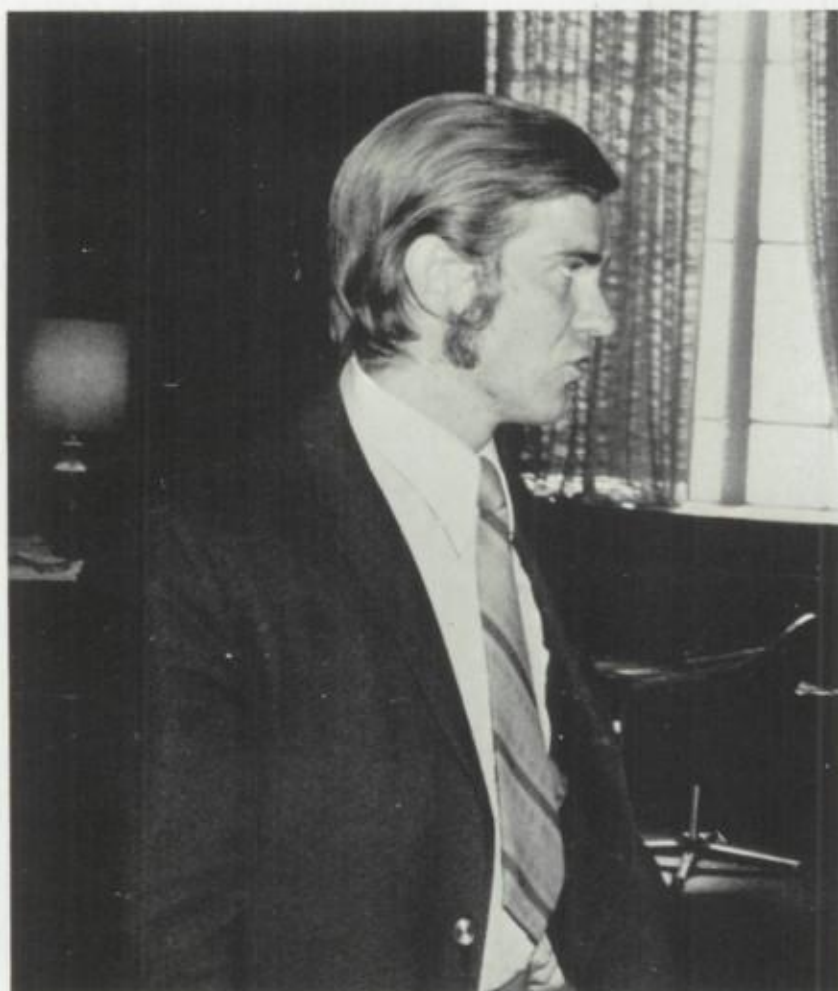

Mr. Thomas Novotny came to St. Rita in 1970. He taught English I and II. He has a B.A. degree from Lewis College. Interested in camping, firearms, and all outdoor activities, he was interested in starting an outdoors club.

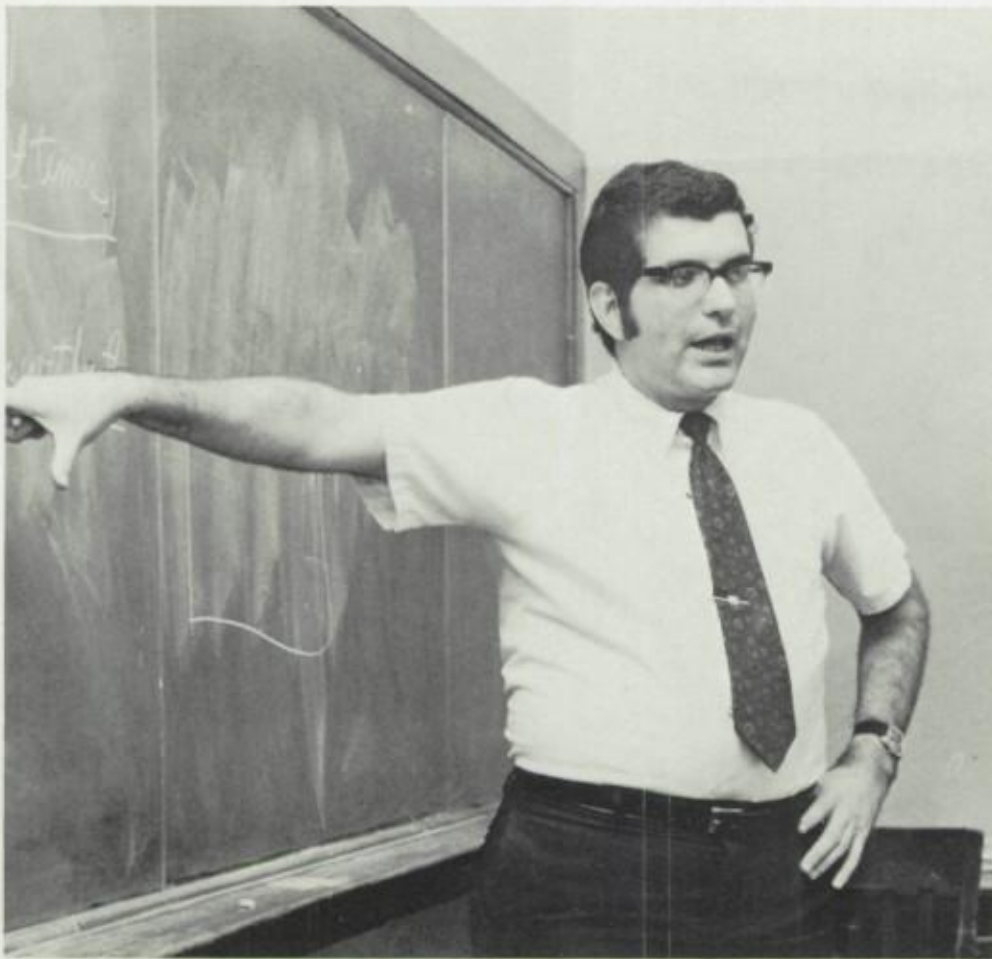

Mr. Edmund Brongiel, who was in his fifth year at St. Rita, taught English I and II. He holds an A.B. degree from Loyola University and has done graduate work at Northwestern University. In his spare time he enjoys reading.

Right: Mr. Theodore Melant was in his fourth year at St. Rita. He taught Speech I and English IV and coached the Mustang Hockey team to a position in the Catholic League playoffs. He holds a B.A. degree from Loyola University and is mainly interested in sports, photography and drama.

Below: Mr. Titus Bukas taught English III and IV. He has been on the faculty since 1966 and has a B.S. degree in Education. In his spare time he enjoys fishing, motorcycling and sports.

Mr. John Hartl came to St. Rita in 1967 with a B.S. degree from Chicago State College. In addition to teaching English III, Mr. Hartl is the trainer for the basketball and football teams. His favorite pastimes are creative writing and youth work.

Mr. Jack Lord came to St. Rita in 1969. He holds a B.A. degree from Butler University and taught English IV and U.S. History. Mr. Lord was also assistant coach of the City Championship Mustang football team.

Faculty improves exactness in writing

Mr. Raymond Kopcinski has taught at St. Rita since 1968 and was assistant coach of the hockey team. He taught English I and III and holds a B.A. degree from the University of Illinois.

Mr. Donald Mrozek came to St. Rita in 1970 after teaching one year at Mt. Carmel. He taught English I and II and has a B.A. degree from Northwestern University. Enjoying sports, Mr. Mrozek was part-time quarterback for the faculty football team.

Flexibility, speakers, pepped social studies

The Social Studies Department, chaired by Mr. Joseph Bamberger, progressed toward a more flexible program of study which was designed to benefit the individual student more and stimulate interest in history.

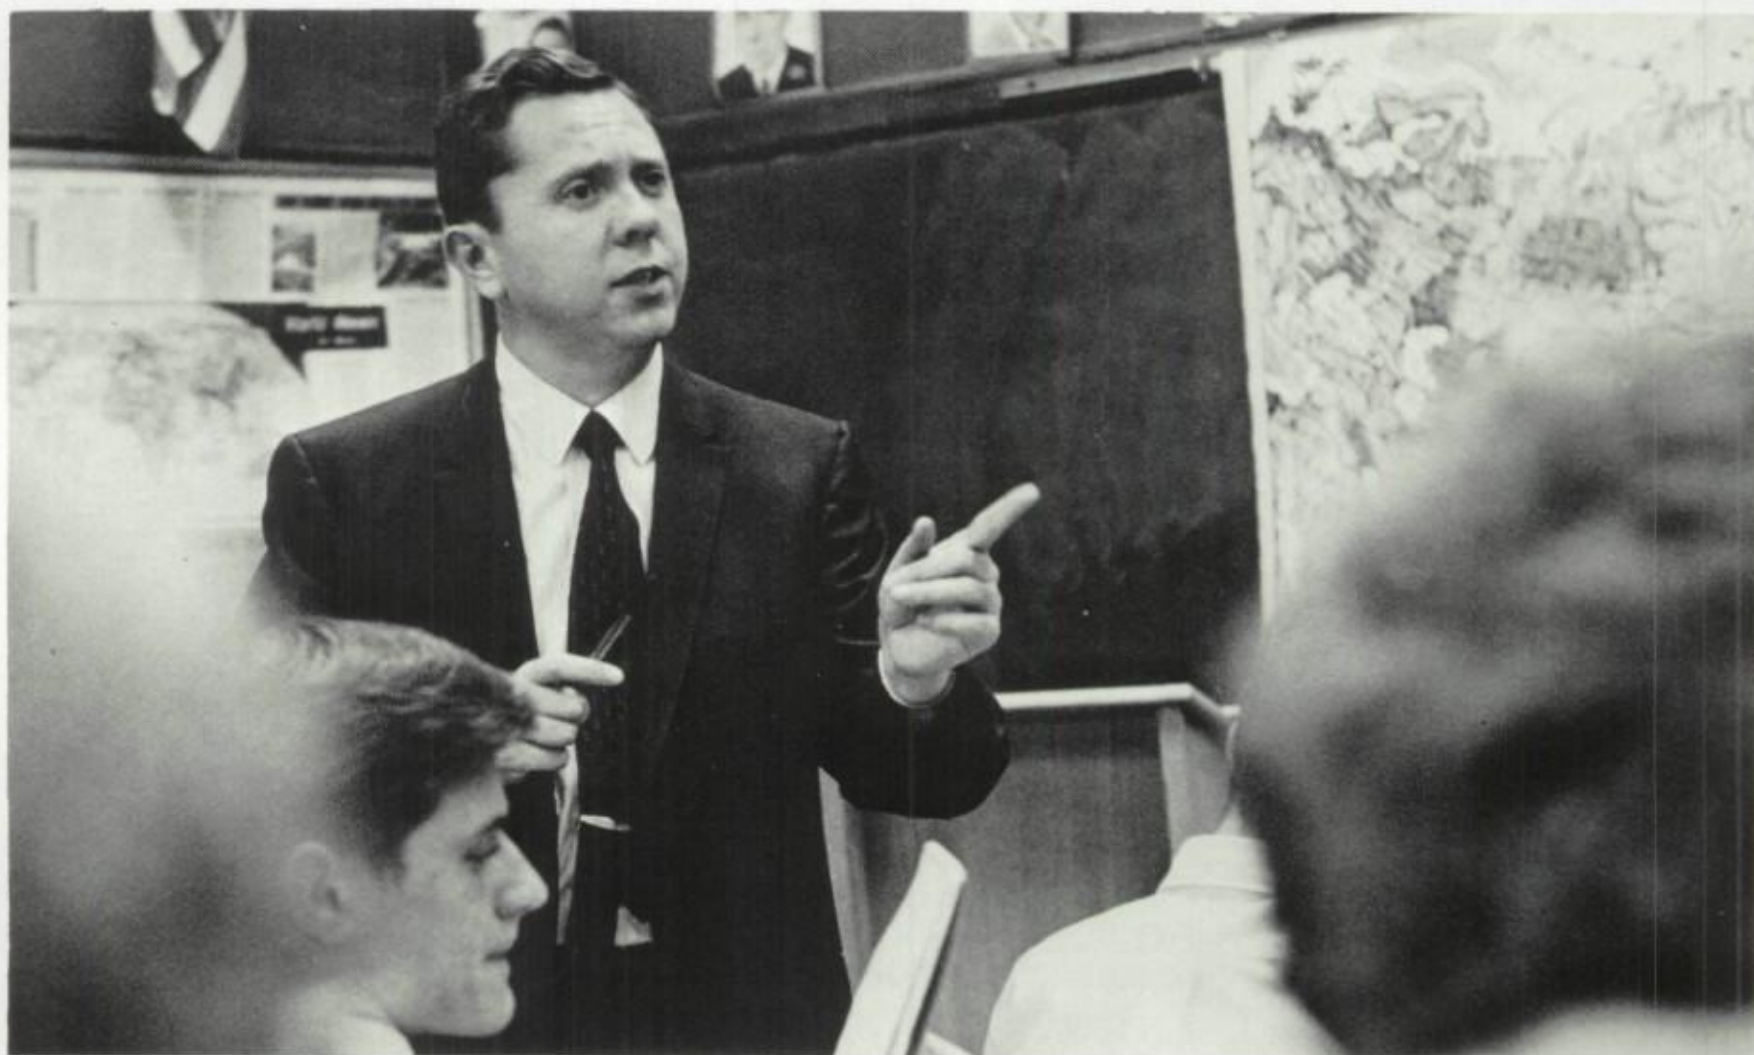

The courses were oriented around conflicting facts in historical research. Students were encouraged to research, discuss and interpret conflicting issues, mainly through the use of opinionated essays by various historians. The senior course emphasizes contemporary history and world problems.

In an effort to stimulate interest, Mr. Bamberger brought in four guest speakers, Mrs. Charleen Lyford, Mr. Alfred Brown, Miss Jean Fracik and Mr. Melvin Shaker, who worked at the Social Security office, to discuss the pros and cons of the present Social Security system.

The North Central Visitation Committee praised the department for its achievements in educational development. An Advanced Placement U.S. History course was offered to honors seniors who hoped to prepare for an Advanced Placement test possibly leading to six to twelve hours of college credit. And an effort was made to investigate the possibility of utilizing teaching games in addition to class discussion of historical interpretations and political-philosophical views.

Paul Lederbuhr relates information about contemporary problems in Southeast Asia to Mr. Bamberger's social studies class as Al Osoba points out the geographic region being discussed.

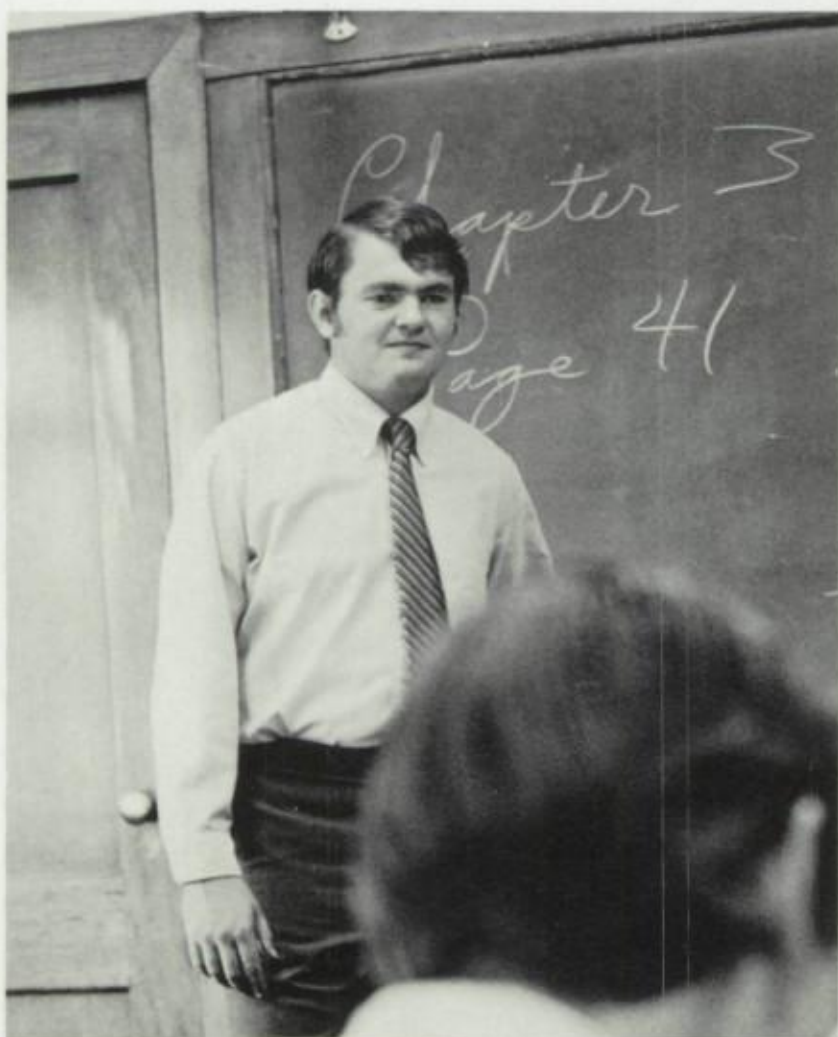

Mr. Joseph Bamberger, who was in his 11th year at St. Rita, holds both a M.A. degree in History and a M.Ed. in School Administration from DePaul University. He was chairman of the Social Studies Department, President of the Teachers Association, and co-ordinator of

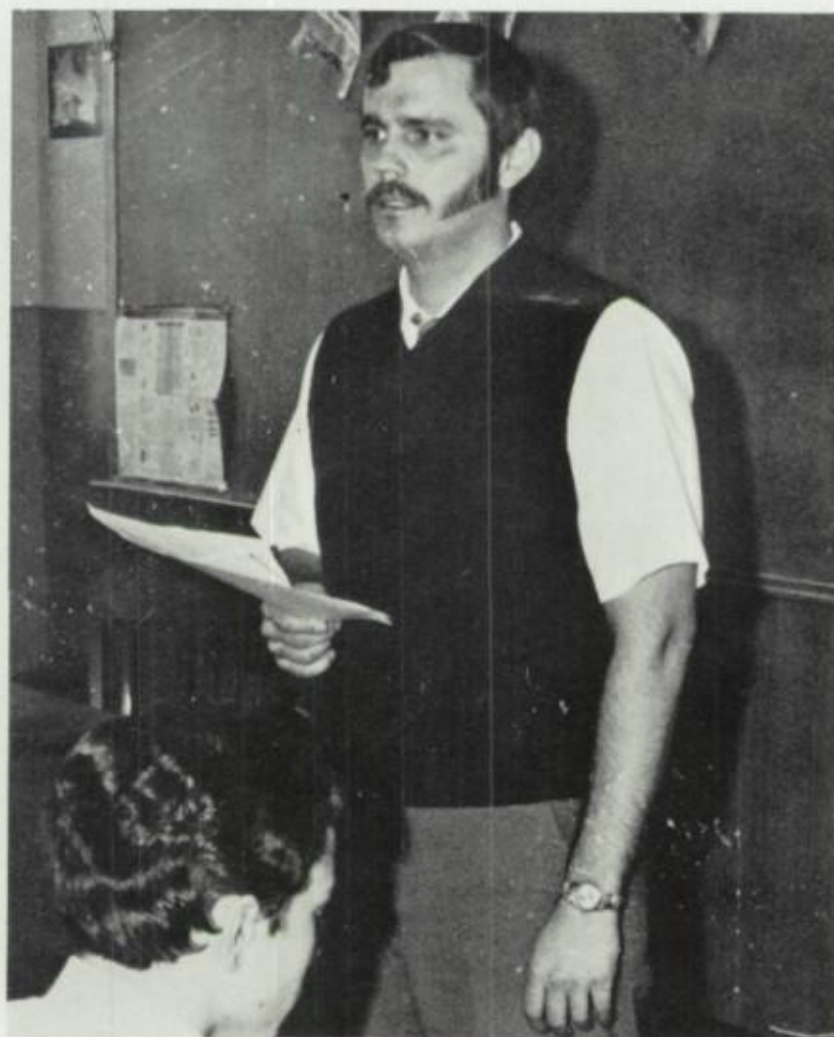

social studies for the midwest Augustinian schools. He has taught Contemporary and Advanced U.S. History and World Problems and conducted a seminar at Tolentine College on American foreign policy. His interests lie in reading and camping.

Mr. David Kernwein, who came to St. Rita in 1967, taught World Geography, Geography Survey. He received his M.A. from Chicago State College and is a very active and involved member of the Illinois Geographical Society. He enjoys all sports, especially basketball, football, and baseball.

Mr. James Duffy has been at St. Rita since 1969 and holds an A.B. degree from John Carroll University. He taught American History and coached the championship 1970 Mustang football team. Besides football, his main interest is socializing.

Mr. Dennis Szot, who holds a B.A. from the University of Notre Dame, taught American Government. Mr. Szot has been at St. Rita since 1964. His main interests are sports and politics.

Mr. James Jania holds a B.S. in Education from Chicago State College and is a member of the American Association of Geographers. In his third year at St. Rita, he taught Civics and World Geography. He enjoys sports and coin collecting.

Below: Mr. Michael Eckert, at right examining a fossil collection with Mr. Victor Petro and Mr. Cappel, was in his second year at St. Rita. He taught Ancient and Medieval History and U.S. History. He holds a B.S. degree from Northern Illinois University and is a Smithsonian Associate. Besides being head track and cross-country coach, Mr. Eckert was Social Chairman of the St. Rita's teachers' association. Mr. Thomas Cappel, at left, was a newcomer to St. Rita. He taught U.S. History and World Problems and was assistant basketball coach. He holds a B.A. degree from DePaul University and is interested in basketball, social problems, and sociology.

Mr. Robert Kopecky holds a M.A. from DePaul University. He is the head basketball coach and directs the intramural program. Mr. Kopecky has taught Ancient and Medieval History. His interests are golf and basketball.

Mr. Ronald Nowak, who came to St. Rita in 1965, holds a B.S. degree from Loyola University and taught a variety of subjects ranging from Ancient and Medieval History to Modern European History. He is an assistant basketball coach and handles the fly and bantam weight teams. In his spare time he enjoys reading and folk music.

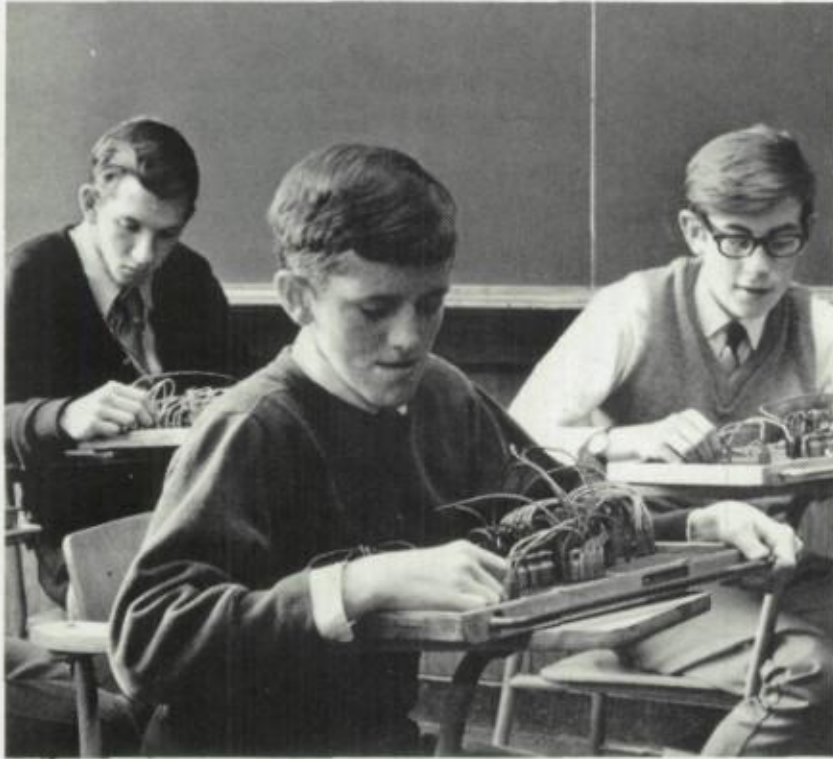

Mr. Dudek and Mr. Rugai discuss the fire drill as they watch their students file out of Egan Hall. Mr. Ado Rugai was a member of the executive board of the St. Rita Teachers Association and was in charge of grammar school recruitment. He came to St. Rita in 1966 and taught World Problems and Contemporary U.S. History. He has a B.S. from Loyola and is working a M.A. in political science.

Data Center maintains flexibility

The Data Processing Center is staffed by: Fr. Casimir Pazera, Br. Martin Shaw, and Br. Joseph Fisher.

The Data Processing Department is organized with two objectives. First: to provide services to all departments of the school administrative, guidance, teaching, and allied school organizations. Second: to teach an introduction to data processing. This course is offered as an elective to Juniors and Seniors who qualify on the IBM aptitude test for programmer personnel. Thirty-eight students were taught by Fr. Pazera and Br. Joseph as a team.

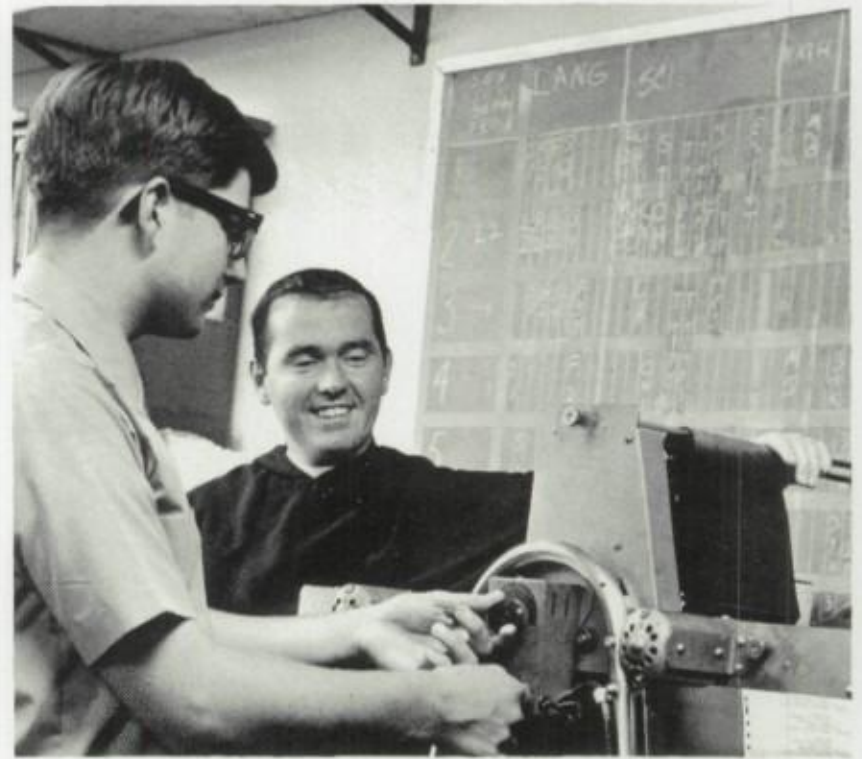

Data Processing students learning how to prepare a pannel to instruct the machine cards about what the machine is supposed to do.

The Data Processing Center is in Room 108. Some of the machines are IBM Collator, IBM card punch, de-leafer, and Burster. Since St. Rita operates its own Data Processing Center, this processing system is designed specifically

Center is in operation throughout the school day for immediate access to information and consultation for all members of the staff.

According to Fr. Pazera, the Data center maintains flexibility and is constantly changing to fit the needs of the school.

Bro. Martin explains the function of the I.B.M. Accounting Machine to one of the students. Bro. Martin, who came to St. Rita in 1959, works in the Data Processing room and in his spare time he enjoys basketball, sailing, and camping.

Fr. Pazera and Bro. Joseph check the circuits of the I.B.M. printer. Fr. Pazera, who came to St. Rita in 1961, manages the Data Processing center. Fr. Pazera teaches electronics and is the chairman of the Industrial Arts Department and holds a B.A. degree from Villanova University. In his spare time he moderates the Radio Club.

Math Courses made to meet 'Skill Levels'

Mr. Norbert Lasky, in his second year as chairman of the St. Rita Mathematics department, has introduced math films and other visual aids to the departments curriculum for the first time. He has also reconstructed the mathematics programs to meet the different "skill levels" of Rita students.

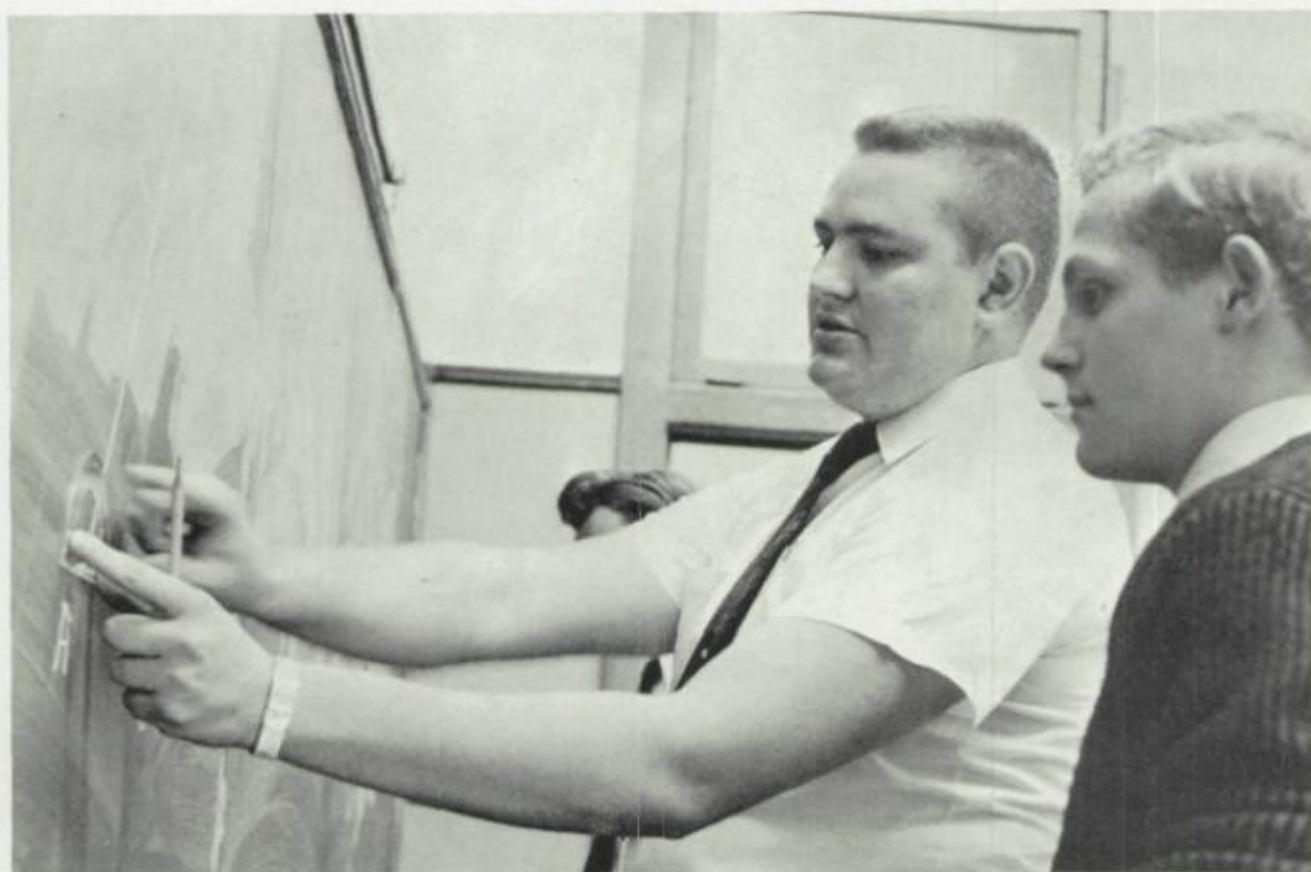

Honors and second honors freshmen were introduced to Algebra I while the slow learners studied Essential Algebra. All Sophomores were taught Axiomatic Geometry, which emphasized proofs and theorem study in the structure of Euclidean Geometry. Algebra and Geometry are the most basic high school mathematics courses offered and were required for graduation from St. Rita as well as admission to most Liberal Arts colleges.

The top junior class was enrolled in Algebra II and Trigonometry in preparation for pre-calculus while most other juniors studied Algebra II alone. Only senior honor students could take the senior pre-calculus course. In general, senior math students were introduced to advanced mathematics with trigonometry and mathematical analysis.

In all, the department's goal was to strengthen the student's skills in math in preparation for college as well as teaching non college bound students math for practical use — as in the consumer math course that juniors may take. The department also enables qualified students to participate in an advanced math-computer science program at IIT, and regional and national math contests.

Mr. Bernard Kill was in his fifth year at St. Rita. He is a graduate of Loyola University and taught Math Analysis, Algebra II and Trigonometry. He was also treasurer of the St. Rita Teacher's Association and enjoys bowling and golf.

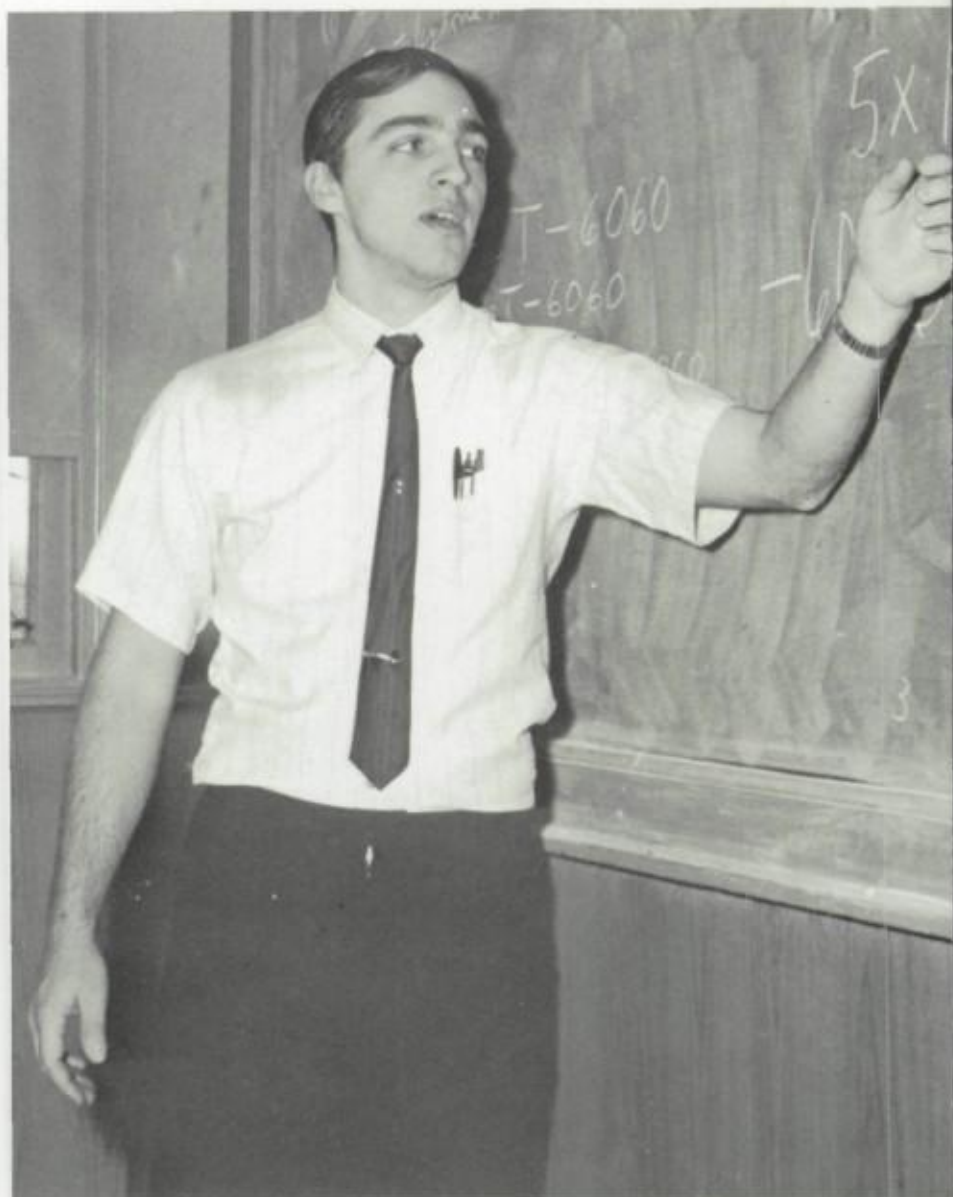

Mr. Norbert Lasky, who came to St. Rita in June, 1963, holds a B.S. degree in Mathematics from Loyola University. He taught Geometry and is the chairman of the Mathematics Department. His interests are gardening and coaching Little League Baseball.

Mr. Edward Petka, who came to St. Rita in 1968, taught Algebra I. He holds a B.A. degree from Southern Illinois University and is interested in football, hockey and basketball.

Mr. Paul Glazar, who came to St. Rita in 1969, belongs to the Mathematics department and teaches Algebra I and Geometry. He holds a B.A. degree from St. Procopius and is listed in the Who's Who in American Colleges for his leadership role at that college. Besides having moderated the Golf team, Mr. Glazar was interested in sports cars, music and interior decorating.

Fr. Robert Chrupka, discussing a difficult problem with puzzled students, teaches Algebra II. He holds a M.A. from the Augustinian College in Washington, D.C. and spent his free time studying the areas of psychology, sociology and ecology. He especially liked the way St. Rita students reflect the middle class background of the area.

Mr. Desmond Coleman, Administrative Assistant, is a forty-two year veteran of St. Rita High School. He holds a M.A. degree in mathematics from De Paul University and taught Algebra I. Mr. Coleman is a Frater Ordinis affiliate of the Order of St. Augustine.

Mr. John Erb, reading the morning announcements, is in his second year at St. Rita and his first year as Vice-Principal of Activities. Besides having co-ordinated student activities, Mr. Erb taught Geometry. He holds a B.A. degree from the University of Detroit and enjoys dramatics, sports cars, water skiing and sailing.

Fr. Dominic Caniglia, Mission Moderator and member of the Mathematics department, was in his third year at St. Rita. He taught Modern Geometry and Essential Algebra and holds a B.A. degree from Villanova. Also having moderated the St. Rita Christian Mother's Club, he found time for his interests in photography, stereo, automobiles and stamp and coin collecting. He liked St. Rita because the students "are the best I've seen in most of the Augustinian schools."

At Right: Mr. Richard Grill, in his third year at St. Rita, teaches Typing and Accounting. Mr. Grill enjoys reading and writing.

Above: Mr. August Jeffrey, Chairman of the Business department, teaches Typing, Business Law, and Economics. Mr. Jeffrey has a M.S.I.R. degree from Loyola University.

Lower Right: Mr. Eugene Farrel, Secretary of the St. Rita's Teacher's Association, has been teaching at St. Rita since 1966. Mr. Farrel has a B.B.A. degree in Business Administration and teaches Business Law and Economics. He enjoys all sports and business.

Superior rated business department included more students in courses

The Business department of St. Rita, under the direction of Mr. August Jeffrey, was rated superior by the North Central Evaluating Committee which visits its member schools every seven years. The committee reported that the business courses offered at St. Rita were comparable to, and in some cases, superior to business courses offered in some colleges.

The main objective of the Business department is to prepare the college-bound student while still meeting the needs of students soon to enter the business world directly.

Since there is an ever-increasing number of college freshmen majoring in business, and in an effort to increase the amount of students taking business courses, two new courses were added to the curriculum.

A Consumer Economics course was offered to freshmen. This course was designed to be an introduction to general business and a foundation for more advanced courses which will be in operation by their junior and senior years.

A Federal Tax course, discussing Federal Tax forms, usage and economics, was offered to one junior-senior mixed section on an experimental basis.

Forty per cent of St. Rita's students were enrolled in some type of business course in 1971. The courses offered were: Consumer Economics for freshmen, Accounting I for Sophomores, and Typing I and II, Marketing, Business Law and Economics, Accounting II and Federal Tax Program for juniors and seniors.

Above: Mr. Robert Glascott, a member of the Business department, has been teaching at St. Rita since 1969. Besides his Accounting I and Marketing classes, he is a varsity football coach. His B.S. degree from Northern Michigan University.

Mr. Gregory Pawlowski, who came to St. Rita in 1966, is chairman of the Foreign Language Department. He holds a B.A. degree from the University of Illinois and was working for his M.A. at Loyola University. Besides teaching French I through IV, Mr. Pawlowski taught Spanish in summer school and bowled on a student intramural team.

Variety spices foreign language studies

Two areas of the St. Rita Foreign Language department, Spanish and French, underwent changes in opposite educational directions. Bro. Mark Theden's Spanish II, III, and IV classes produced student-written Spanish plays in a more creative movement to give students more practical speaking experience. Highlighted plays were a slapstick, pie-in-the-face *Bozo's Circus* in Spanish and a Spanish *Johnny Carson's Tonight Show* complete with droll monologue.

Mr. Gregory Pawlowski, department chairman, sponsored a "back to basics" movement in his French classes, covering less literature than planned, but reviewing more grammar and adding a tape-listening program in hopes of making up for the lack of a language lab Listening Center. According to Mr. Pawlowski, "Language teaching should be an esthetic experience. It's pure hypocrisy to think that a high school can teach a student to speak a foreign language as well as his native language."

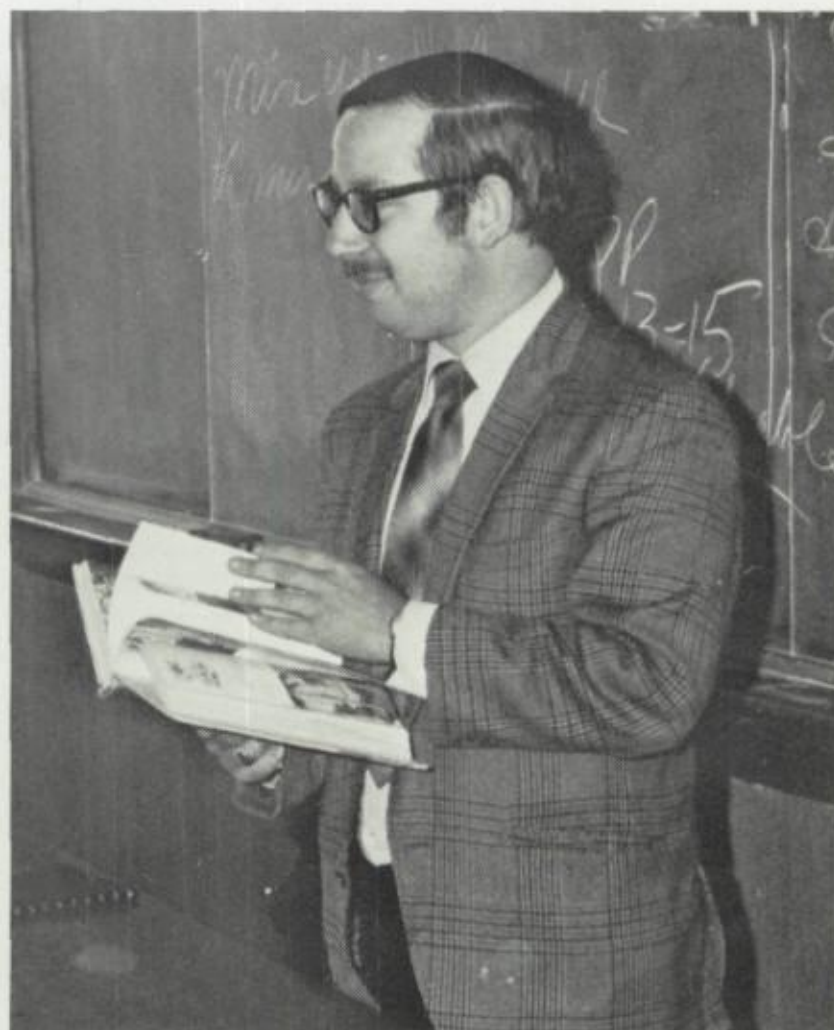

Spanish and French continued their two-year Advanced Placement sequence, although due to small class size the A.P. French class went extra-curricular. A four year Latin sequence was offered as well as a two-year German program which added a book of translated German short stories to help students get the cultural feel of the language.

Mr. Raymond Matkovich, who taught Spanish I and II, was in his fifth year at St. Rita. He holds a B.A. degree from DePaul University and left St. Rita in 1970 to work for Naval Intelligence, but returned to teach during the second semester of the '70-71 school year.

Fr. Ralph Giovinetti, O.S.A., who came to St. Rita in 1945 belongs to the Foreign Language and Theology Depts. He has a B.A. degree from Villanova University, and teaches Theology I, and Latin II, III, and IV. Father is also the Moderator of the Bowling Team and enjoys bowling and golf.

Mr. Hartman, who was a new-comer at St. Rita, belonged to the Foreign Language Dept. He has a B.A. degree from Bradley University, and teaches Spanish I and II. He also enjoys creative writing.

Mr. Petro, a St. Rita Faculty member since 1952, teaches Spanish I. He holds a B.A. degree from St. Michael's College in Santa Fe, New Mexico. One of his favorite sports is Fishing.

Science fair, expansion

Mr. Richard Kolar belonged to the science staff since 1965. He holds an M.A. degree from the University of Southern Mississippi. In his spare time he enjoys sports, gardening, and reading.

Mr. Ronald Dvorak was the chairman of the Science Department. He received his M.A. from Notre Dame University. He taught Physics and Modern Physical Science and also was the moderator of the chess club and enjoys playing Bridge.

Fr. John Flaherty has been a member of the St. Rita faculty since 1956. He holds an M.S. degree from Villanova University and taught Biology. Fr. Flaherty enjoys golf, skiing, and sailing.

high-lights department year

In 1920 not many teachers would have realized how rapidly the Science Department would grow; or how improved the labs and facilities would be.

Last year there was an increase of 5 science classes; now the department has a total of 2 sophomore and 5 senior chemistry, 2 freshman and 2 junior earth science, 5 freshman physical science survey, 3 junior physics, 7 modern physical science, 8 sophomore and 1 senior biology, and 1 senior advanced physics classes.

The one senior biology class was a first at St. Rita; this was the first year in the history of the school that biology was offered to seniors. The main reason for this was that the seniors needed another lab science to have enough credits to graduate. Mr. Richard Kolar who taught the course felt that the seniors were more eager and more attentive in class, moving at a faster rate, and probing more deeply into the questions of life than did the sophomores.

St. Rita's annual science fair was held during the last week of February. Approximately 250 students were given a chance to exhibit their science projects during the lunch periods and after school down in the annex. Students entered projects from all branches of the sciences. On the afternoon of Sunday, February 28, 150 of the best projects from the week long fair were put on display for public viewing at the Science Fair. The best 40 projects were chosen to represent St. Rita at the Archdiocesan Catholic Science Fair which was held on April 3. From there several students were chosen to show their projects at the Illinois State Science Fair at the University of Illinois.

Mr. John Clifford has been with the St. Rita faculty since 1967. He taught Earth Science and holds a B.A. degree from Southern Illinois University. In his spare time Mr. Clifford is interested in cartography, the science of map making.

Left: Mr. James Kane had taught at Rita for two-and-a-half years before he left to accept another position and was succeeded by Mr. Li. Mr. Kane taught Chemistry to the seniors and sophomore honor section. He held a B.S. in Biology from St. Procopius College. He moderated the Pep Club and was interested in music, chess, and sports.

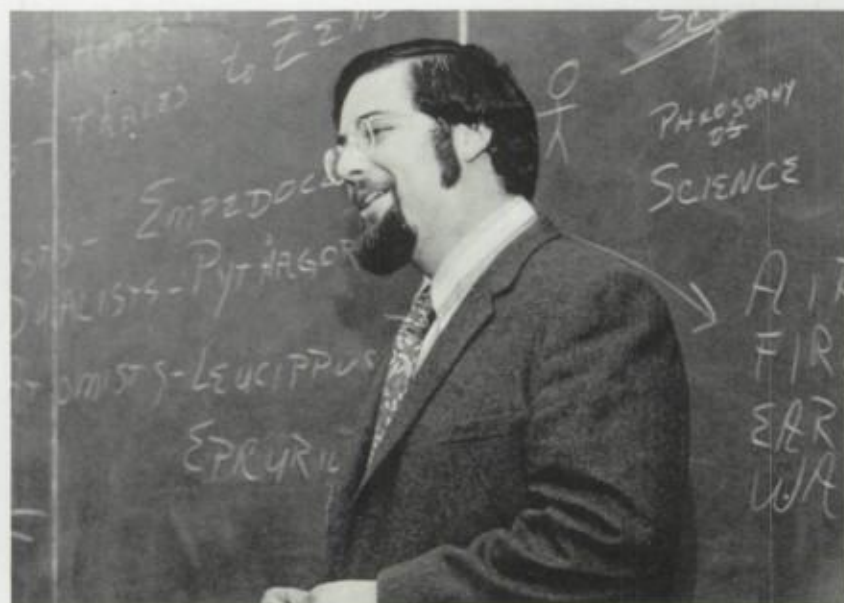

Above: Mr. Philip Igoe belonged to the Science Department. He received a B.S. degree from Western Michigan University and taught Physical Science Survey. In his spare time he enjoys reading, playing sports, and working with Boy Scouts.

Mr. Stasys Rastonis belonged to the Science Department. He taught Modern Physical Science. He had a B.S. in Physics from Providence College. He came to St. Rita in 1970. His hobbies are camping, music, reading, and cinema. The best thing he liked about St. Rita was that it exposed him to a variety of people.

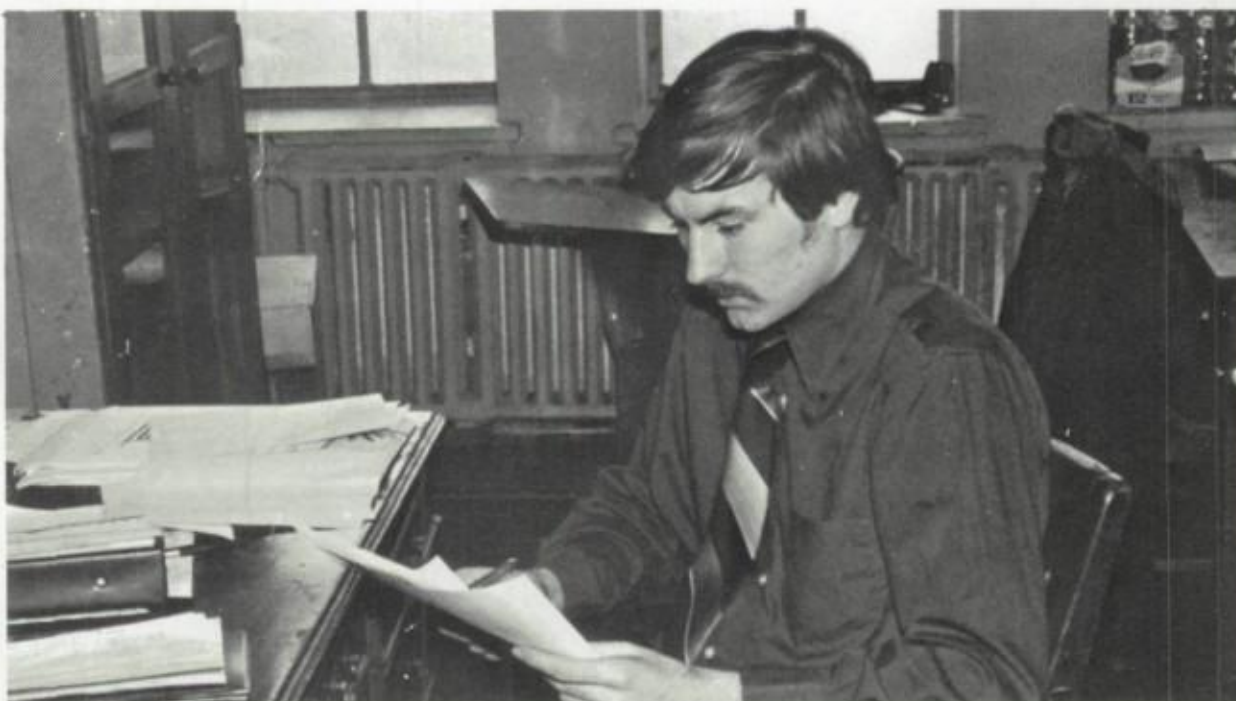

Mr. Christopher Wiatr belonged to the Science Department. He taught honors freshman Biology and sophomore Biology. He received a B.S. degree from St. Procopius College and is working towards an M.S. degree at I.I.T. Mr. Wiatr was an assistant track and football coach and in his spare time enjoys weightlifting.

Mr. Ernest Rosado belonged to the Science and Theology Departments. He taught senior Chemistry, sophomore honors Chemistry, and Theology I. He has a B.A. degree from Eureka College and taught at Rita for a year. His hobbies are sports, Philosophy of Education, and of Science; special interest: his wife.

Mr. Sigmund Eisenschenk belonged to the Science Department. He taught Physics and Modern Physical Science, and received a B.S. degree from Loyola. He also was the moderator of the Cascian and in his spare time he enjoys motorcycles and reading.

Industrial Arts stress practicality

The Industrial Arts department provided practical courses of Mechanical Drawing, Automotives, and Wood Shop, inside the college preparatory curriculum of St. Rita High School.

The Industrial Arts sequence started with General Shop and Mechanical Drawing for freshmen. The shop course concentrated on acquainting the student with the use of basic tools like the lathe, sander and jig-saw, and basic materials like wood, plastics and formica. Mechanical Drawing classes taught the student how to draw and interpret blueprints, a talent especially useful for students planning on an engineering related occupation.

Sophomores studied Automotives, a class almost dropped from the sequence but revived by student interest. This class stressed a practical experience with automotives as well as text book knowledge.

Fr. Casmir Pazera, as Industrial Arts chairman, also allowed for advanced courses of Architectural Drawing and Wood Shop which stressed advanced techniques and training more directly related to immediate job use.

Mr. James Economakos belonged to the Industrial Arts Department. He came to St. Rita in 1951 and was recently named to the Hall of Fame of Greek Athletes. He received his M.A. from DePaul University. Mr. Economakos enjoys fishing, wrestling, and coin collecting.

Bro. Joseph, O.S.A., belonged to the Industrial Arts, Fine Arts, and Data Processing Departments. He taught Automotives and Art Survey. He received his degree from Stout State University in Wisconsin. His interests include tinkering with computers.

Mr. Florian Dodge belonged to the Industrial Arts Department. He taught Mechanical Drawing I and II and Architectural Drawing I. He received his B.S. degree at Northern Illinois University and in his spare time he enjoys all sports.

Arts program develops student talent

Under the supervision of Brother Joseph, O.S.A., and Brother Mark, O.S.A., students are benefitting from the Fine Arts curriculum. The program consists of one semester of music appreciation and one semester of arts. The semester of music is a basic survey of the field in which the student becomes more sensitive and aware of the forms and purpose of music. The semester of art allows students to develop their creative ability and use it through various mediums.

Visual aids play a major role in getting concepts and "feelings" across to the students. Slides, movies, and recordings are intensively used.

Every year there is an exhibit of students' finished art works in the school library. Many fine original works are produced by the students through use of pencil, ink, charcoal, and pastels. Students learn to express themselves and become more aware of the many art forms through this program.

Bro. Mark, O.S.A., came to St. Rita in 1963 and teaches Spanish II, III, and IV and Music I, besides being Chairman of the Music Department. He holds a B.A. in philosophy from Villanova and a B.A. in music from St. Joseph College. Bro. Mark is moderator of the chorus and in his spare time enjoys hockey and soccer.

Mr. Louis Ricci, an alumnus of St. Rita, has been the Band Director since 1957. He received a B.S. degree from DePaul University and is an instrumental instructor at Parker High School. In appreciation of his years of service, the Band presented him with a plaque on the Band's 25th anniversary.

Mr. Patrick Cronin was head of the Physical Education department and held a B.S. degree from St. Benedict's College. As Head Football Coach, he was named Chicago Area Football Coach of the Year by the Illinois Press Association. Mr. Cronin's spare time is filled with constant coaching of the Championship football team.

Phys. Ed. theme is physical development

Mr. Patrick Cronin, chairman of the Physical Education Department, continued to stress sportsmanship and the spirit of competition through the use of team sports. Gym classes may play touch football during the fall, baseball during the spring, and basketball in the winter as well as the great variety of team games used during the year.

The students need for physical as well as academic development is also met by more individual activities throughout the year. Mr. Cronin and Mr. Hoffman, who also conducts PE classes, instruct their students in the use of calisthenics. Their weekly workouts may also include the parallel bars or the climbing ropes hanging from the gym's ceiling. Space is the main obstacle to the program which was overcome by the use of the football field in warm weather and the emphasis on team activities.

Mr. James Hoffman came to St. Rita in 1969 from De La Salle High School to assist the coaching of the football team and teach Physical Education. He held a B.S. degree from the University of Illinois. Mr. Hoffman enjoyed all types of athletics.

Greater stock and use is library aim

The St. Rita Library, headed by Miss Rose Carter, who left at the end of the first semester, was one of the few departments which did not receive overwhelming praise from the North Central Visiting Committee, because of its physical plant. Stocked with over 13,000 books and holding over 300 reference volumes, the library was cited as being out-dated both in design and content.

Some of the material especially noted in the discussion was the reference books, particularly in the areas of occupations, which dated back to the 1930's and many other books at the grade school level. The library design resembled the traditional study hall area with long wooden tables and straight-backed chairs and possessed a somewhat formal atmosphere. The study hall design was useful, however, as the library was used as a study hall and as a test sight for the National Merit Scholarship Qualifying Test.

The updating of the library is a lengthy task begun by Miss Carter and Mrs. Lococco. Faculty members were called on to assist in weeding out the outdated texts and to suggest new titles to replace them. Each month the library boasted a lengthy list of new books.

Miss Rose Carter was the head Librarian at St. Rita since 1969. She tried hard to increase the usefulness and availability of the library, as well as updating the stacks.

Mrs. Lococco instructs Richard Koelonski and Joe Stalck in finding the proper location for returned books. Mrs. Lorraine Lococco has

been the Assistant Librarian since her arrival at St. Rita in 1966. She enjoys sewing, cooking, and reading, in her spare time.

Mr. John Stobba, who came to St. Rita in 1957, was the head of the Visual Aid Service, the Chapel Sacristian, and the Monestary Librarian. He is a graduate of Villanova University and holds a Bachelor of

Arts degree. Among his special interests are archeology, travel, and American Indians. In fact, in the summer of '70, he visited archeological sites in Ecuador and Peru.

'A-V' aids all department's effectiveness

Demands for audio-visual aids have expanded to every department as more and more material is covered by films, tapes, records, slides, and versatile overhead transparencies. Faculty members have come to realize the advantage of this new and interesting way of presenting material to students, and as a result of their demand, the A-V department has obtained more and better equipment, and rents, borrows, and buys more audio-visual material.

In his third year as head of the A-V department, Mr. John Stobba, O.S.A., supplies specific items on demand of the faculty from his library of material or from outside sources. Mr. Stobba maintains an extensive scheduling of films and recordings and relies on the help of two student volunteers each period to carry, set up, run, and return audio-visual equipment.

The Mustang Spa 'crew' have to work quickly through the morning to cook, prepare, and package many boxes of food before the lunch periods.

Mrs. Marczewski has worked in the cafeteria since 1965. She is a member of the St. Rita Mother's Club and has four children. She enjoys club work and bowling.

Mrs. Helen DiDomenico has been with the Spa since 1966. She has two daughters and three grandchildren and is also a member of the St. Rita Christian Mothers.

Mrs. Eileen La Barge has worked in the Mustang Spa for the last six years. She has two daughters and a grandson.

Mrs. Shirley Mingey has been at Rita since 1966. Before joining the cafeteria staff she was a switchboard operator here. She is a member of the Mother's Club and enjoys reading and the Mustangs' football games.

Spa gives 'Total Convenience Food Service'

The Mustang Spa Cafeteria provided not only lunches for St. Rita students, but also provided a place to talk and argue whatever needed discussion.

The food part of cafeteria life continued as top quality, drawing an "excellent" rating from the North Central Association Visiting Committee. Especially notable were the lunchroom specials like mastacioli, Sea food Platter, and Sloppy Joes, which received free

advertisements during the morning announcements.

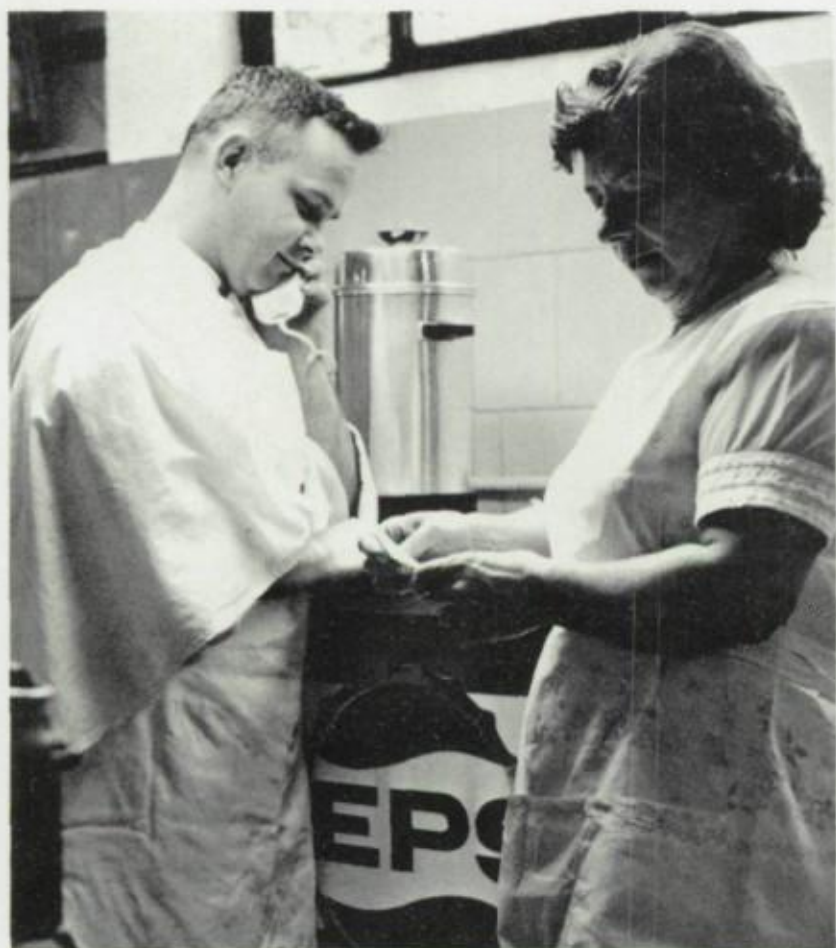

For greater efficiency, the cafeteria was organized as a "Total Convenience Food Service", in which most foods came frozen or pre-prepared to speed cooking. Thanks to this system students spent less time waiting in lines and more time with friends making the lunch periods more than just a time to eat.

At the start of each lunch period, students rush to get to the cafeteria, but it takes a good deal of luck to beat the rush and avoid the crowd at the food counter. Things are hot, rushed, and crowded behind the counter too at peak of lunch periods. Neal Petges, Joe Nor-

wick, and Edward Brodnicki (above), have to rush to fill the crowds orders for fries, rings, and food. Students wandering in late are often faced with a very meager selection.

Left: Bro. Daniel puts in an order for the next weeks supply of food. Bro. Daniel has been at St. Rita since 1966 and directs the Mustang Spa.

Bro. Raymond, O.S.A., in his third year at St. Rita, supervises the maintenance of the monastery. He graduated from J. Morton High School in Cicero, Ill. When not performing his duties at school, Bro. Raymond enjoys reading and sports.

Mrs. Shirley Mingey, who is in her fifth year at St. Rita, is a switchboard operator. She belongs to the St. Rita High School Mothers' Club and enjoys reading and watching the Mustangs' football games.

Mrs. Elizabeth Sexton, who came to St. Rita in 1967, is a switchboard operator. She has seven children and enjoys sewing and painting in her spare time.

Fr. Van Thienen, O.S.A., who came to St. Rita in 1953, received a Doctorandus from the State University of Utrecht in Holland. He is currently in charge of the book store. Fr. also enjoys working in electronics.

Mr. Melquiades Duque, who holds an M.A. degree and a Specialist degree from DePaul University, has been at St. Rita since 1959. He is assistant to the Dean of the School of Education at DePaul University and enjoys writing.

Administrative personnel maintain high standards, provide for efficient planning

Mrs. Melanie Adamski, who came to St. Rita in 1963, is secretary to the disciplinarians. She takes special interest in all the activities at St. Rita High School.

Mrs. Marie Demma, who was in her second year at St. Rita, works in the Main Office of the school as the personal secretary to the Principal. In her leisure time she enjoys reading.

Mrs. Mary Geraci has been working as a clerk in the office for the last two years. She belongs to the St. Rita High School Mother's Club and enjoys reading.

Mrs. Doris Taheny, is the administration secretary. She has been at Rita since 1965 and is an alumni mother of the St. Rita Mother's Club. Her interests include sewing and travel.

STUDENT LIFE

Activities create shared experiences

High School should be an experience, not a chore. There is little time to share experiences in class, so school activities have to make it. Homecoming, Proms, Class trips, all help get it together with friends. Good, but it may not be enough. Many students never get a chance to get in on the little activities like clubs, or organizations, so the big happenings are their only chance.

ACTIVITIES

Four Days and a Night belt out a brassy Blood, Sweat, and Tears song, "40,000 Headmen."

Homecoming week more than traditional, less

The 1971 Homecoming celebration was planned as a break in tradition, eliminating the usual two-word theme and moving the Friday night pep rally indoors. The rally, however, never was changed, but new activities were added to complete the transition.

Homecoming week took on a "Roaring 20's" atmosphere. Homecoming hats were black derbies with red and blue bands and, along with the traditional impromptu pep rallies during the lunch periods, a "Gangster Day" was held with students dressing in Al Capone-style dress.

Homeroom sections were encouraged to participate

in a banner contest, with entries judged by football team tri-captains Dennis Bartz, Tim Maher, Bob Wojtalewicz. Section 3B took first place and a twenty-five dollar prize, 1C came in second with a fifteen dollar prize and 3I captured third place and ten dollars.

The Friday night rally was held in the football stadium. The entertainment was provided by the *Four Days and a Night*. The rally included an introduction of Homecoming Queen Debbie Guide and escort Jim Brasher. The runners-up were Pat Seidel escorted by Jack Cusak, Teresea Gonzalez escorted by Bob Valez, Diane Kirkwood brought by Don Maher, Regina No-

The Sunday pre-game show had float parade with the one hundred dollar first prize going to section 4H, second prize, seventy-five dollars to 3D and third prize, fifty dollars to 4D. The game itself, was an explosive one with the Mustangs defeating the Mendel Monarchs by a score of 27-26, mainly on the work of Neal Sullivan to Chuck Seivert pass plays.

Students score high nationally

St. Rita students again placed high in state and national exams with fifty-six winning Illinois State Scholarships and eight winning National Merit Letters of Commendation. John Kwiatkowski ranked with the top students nationally by winning a National Merit Scholarship.

The St. Rita High School Fathers' Club recognized the efforts of outstanding students in continuing their Heeney Scholarships which give monetary awards to the highest ranking students at each semester. Other students who achieve an "A" average at the semester are placed on the Gold Honor Roll.

Intramurals enliven lunchtime activity

The intramural program directed by Mr. Robert Kopecky seeks to get students involved in competitive sports outside the regular varsity programs. Teams are organized in softball, basketball, and touch football. The teams then compete for their class championships.

Aside from team play, Mr. Kopecky organized a free throw contest in which individuals competed for prizes. Mr. Paul Glazar won the faculty free throw contest. Intramural bowlers meet every Monday after school to demonstrate their skills.

Bowlers brush up on their games on regular Monday bowling days.

Jerry Werner, Bob Ivers, Ed Cappel, and Jim Cjakowski receive awards from Mr. Kopecky for winning the free throw contests.

Intramural basketball teams get a good workout in lunchtime games. Both a good offense and defense is necessary to win in the elimination playoffs.

The St. Rita Junior trip, chaperoned by Mr. John Hartl, Mr. Raymond Matkovich, and Mr. Bob Kopecky, began with a stay in the YMCA, just outside Estes Park in the snow-covered Rocky Mountains, where the student travelers hiked and explored the area.

Denver, Colorado was the next stop and the sightseers stopped to view the state capital, the United States Mint, and do some shopping.

The Colorado State Prison received a visit from the Rita tourists, and all travelers made it out again, to ride across Royal Gorge in the famous cable-car, and to view the famous natural formation, the "Balanced Rocks".

The travelers later relaxed at horse back riding led by Mr. John ("Tex") Hartl and an evening swim.

On the final day, the visitors toured Dow Briggie Pottery works and the Broodamorr Ice Palace and Hotel, ending with an after-lunch jet departure for Chicago.

Seniors, Juniors travel to the

Opposite ends of the country

The 1970-71 Senior trip left O'Hare Airport on June 6 on board a chartered jet, christened "The Joe B Express, Home of the Midnight Lecture" in honor of chaperone Mr. Joseph Bamberger.

After spending one day in Miami, Florida, the tour group traveled to the Bahamas by way of a three-day sea cruise, the trip high-point.

Once leaving the three-mile limit, the duty-free shops and casino opened and a free-wheeling attitude took over. Part of the three-day itinerary included quick trips to the casinos and night spots of Freeport and tourist exploring in Nassau. An 18 year old drinking limitation added to the enjoyment as most vacationers were 18 or older.

Returning to Miami, the group organized to take in a few nightclub shows, including Ann-Margret, the 5th Dimension, and the Ike and Tina Turner Revue. The final day was spent on return preparations and a visit to Miami's famous Seaquarium.

Clubs aid growing together

People need to grow with each other. Organizations give growth a chance. They allow people to get together without a teacher breathing down their necks at school.

At St. Rita the organizations are there. The biggest mistake a student can make is not using them, or creating a new one. The 9:00 to 3:00 student was and is too common. Organizations had people who are willing to share.

Cascian looks to more 'Modern' style, format

The St. Rita *Cascian* yearbook entered into a period of stylistic change, reflecting the transition which St. Rita High School was undergoing.

The *Cascian* staff, Mr. Sigmund Eisenschenk, advisor; Thomas Baltutis, managing editor; Ken Liszka, layout editor; John Kwiatkowski, photo editor; and Len Strazewski, copy editor; decided in favor of fall delivery of the yearbook, to insure better coverage of spring sports, proms, and graduation.

Traditional covers of red and blue leather were dropped in favor of a cheaper and more modern yellow buckram book cloth.

Preparing for the future, the *Cascian* added freshmen to its staff, for the first time in years, hoping for a better trained staff in a projected future of two yearbooks per year, spring and fall editions.

The N.H.S. builds a unified spirit

The National Honor Society is a group of senior students of honors standing, who join together for fun and service to the school.

The N.H.S. moderated by Mr. Donald Racky, is often called to help at occasions such as Freshmen entrance examinations, Freshmen parents orientations night, and Student registration.

The N.H.S. holds an annual fund raising dance. The money raised is used to pay for the societies activities, such as the annual trip to the Augustinian seminary near Holland, Michigan over the Easter holiday. The remaining money is donated to the school for internal improvement.

Ritan's face lifted: changes look, content

The Ritan, the students' school newspaper, got a new look in 1971 with a new paper stock and type styles. Matching its appearance in its content, *The Ritan* covered more relevant topics such as interviews on St. Rita going co-ed, stories on finding summer jobs, or editorials on student elections. A new "Student Voices" column encourages students to be heard.

Putting all this together, *The Ritan* earned a First Class rating and three Marks of Distinction in Content and Coverage, Writing and Editing, and Editorial Leadership from the National Scholastic Press Association. This was also the first year in its history that *The Ritan* staff put out nine issues.

Aside from its journalistic goals, *The Ritan* staff seeks an inner unity. The group holds a picnic and attends a White Sox game each summer. When it obtains use of the gym, the staff members get to know each other better in a game of basketball.

The staff hopes to earn a fourth Mark of Distinction to become an "All-American" paper which would rank it among the best in the nation.

Chess Team captures league championship

Richard Grzeskiewicz and Robert Gleason, both undefeated in league play, led the St. Rita Chess Team to its fifth consecutive south-side championship and its second Chicago High School Conference.

Grzeskiewicz was the league leading scorer with 11½ points followed by Gleason with 11 points. Grzeskiewicz' only non-win was a draw against Weber high school, whose team followed the Chess Mustangs down to the wire, forcing two playoff matches and finally losing the title by league decision for not completing the regular season.

Backing up the double punch of Gleason and Grzeskiewicz were Henry Garbat with 8½ points, Matt Urnezis with 7 points, Thad Soprych with 4 points, Tim Kaczmarek with 1 point and freshman Robert Plant with one win and one loss in season play. Besides Plant, returning team members will be Grzeskiewicz, Gleason and Soprych.

The St. Rita Chess Club, from which team members were drawn, as moderated by Mr. Ronald Dvorak and met every Tuesday and Thursday. At these gatherings individual rankings were determined by a "ladder-challenge" system in which a person must defeat someone ranked higher than he in order to move up in ranking. Knights of Augustine help the needy

The Knights of Augustine, a modern fraternity which adheres to Christian living through association with the Augustian order and dedication to Christian principles, worked with retarded children at Misericordia home.

The K of A co-moderators Bro. Martin and Mr. Thomas Schevers worked, along with fraternity officers Tim Maher — Pres.; Tom Schumacher — Vice-Pres.;

Ray Jagielski — Secretary and Mike Georgeopolus — Treasurer, to fulfill the prime purpose of the K of A, which was the spiritual improvement and social enjoyment of its members through helping the needy.

Working funds for the Knights of Augustine was obtained from the yearly K of A dance and dues. Members were allowed to buy fraternity sweaters and for the first time the K of A held an open gym for members.

The Band marches through its 25th season

The 1970 Marching Mustangs had a new "look" for the 1970 season. Going into their engagements this year, the Mustangs displayed their new uniforms. The band's pride and talent, however, were still at each performance.

The Marching Mustangs opened 1970 with their annual twin parades at Naperville and Lemont on Labor Day, September 7. The band's next performance was also on a holiday. This time, though, the parade was in Chicago, honoring Christopher Columbus on October 12.

On October 29th, the Mustangs' marching talents were not needed. Their music, however, was well received at the 14th Ward Democratic Rally prior to the November elections.

The band performed at half-time for every football

game of St. Rita. They reached the highlight of the season on Dec. 5. When the Mustangs went on the field that day, they were representing the Catholic League Champions. The band received much recognition from Chicago newspapers as they saw the football team go on to be City Champs.

The band extended their efforts into the basketball season also. On January 29, the Marching Mustangs performed at the Chicago Stadium for two major college basketball games: South California vs. Illinois and Loyola vs. Marquette.

The band ended their 1970-71 schedule with their annual Spring Festival of Music at Lourdes High School on the first week of May. Alumni band members and present Marching Mustangs joined to salute the 25th Silver Anniversary of marching and music.

Much practice during the summer and after school goes into precision steps of a half-time show. Mr. Louis Ricci and Mr. Bill Black (with hat) drill and instruct the Band and Ritanettes in their routines.

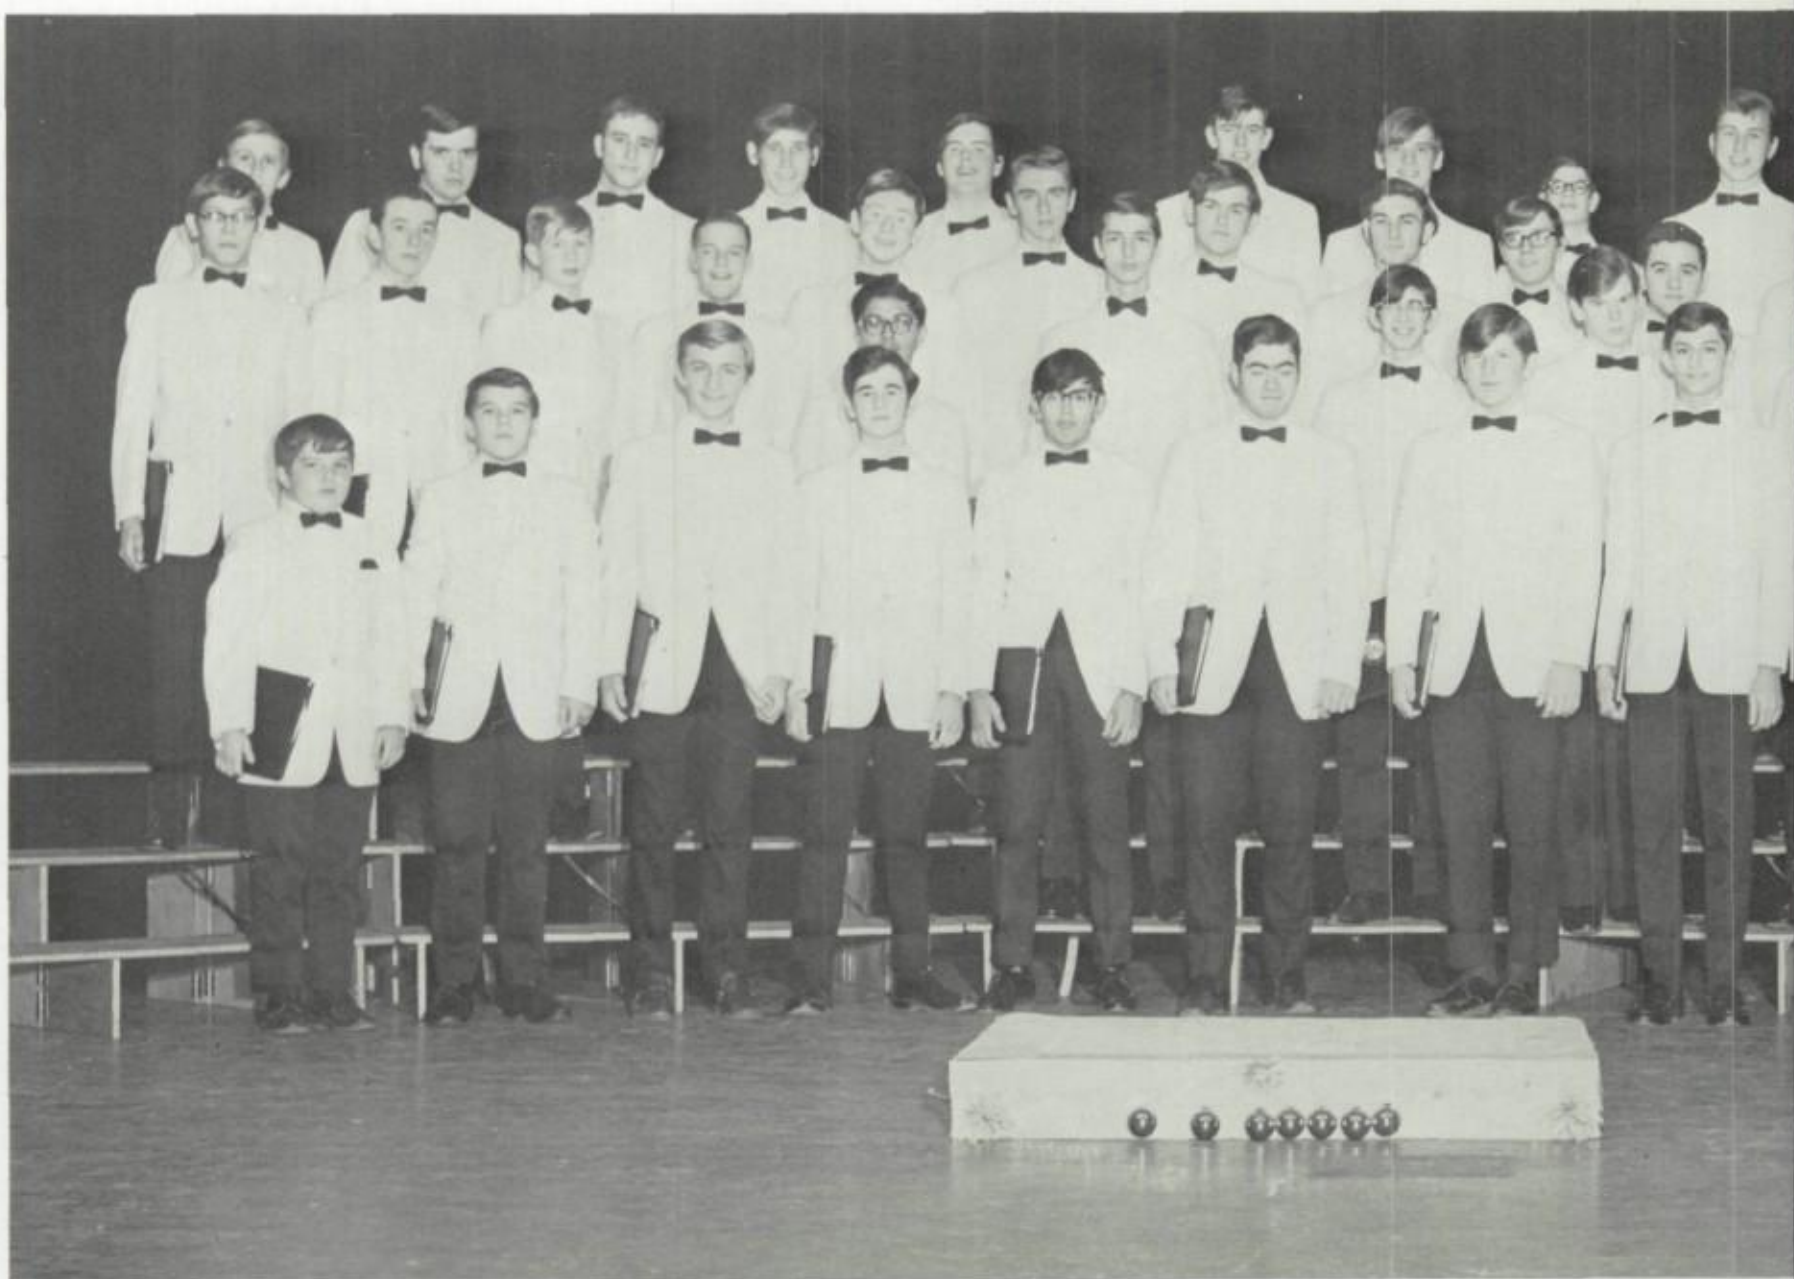

The Ritanettes march onto the field to compliment the Band's music with their own dance numbers. As the Ritanettes dance, the Band executes their own maneuvers — sometimes using flags and props to enliven their show.

The Ritanettes adapt to perform their numbers whether at the Band's Spring Show or at a halftime performance.

The versatility of the Marching Mustangs takes them from the formality of the Concert Band to the looseness of a group of its members lending their music to the Homecoming rally.

Chorus' praises sung by North Central

Each year the St. Rita Chorus, under the leadership of Bro. Mark Thedens, must replace its outstanding graduating members and train its freshmen members to eventually take their place. Yet each year the Chorus' standards are firm and it receives numerous invitations to perform with prestigious music organizations, and conducts its own annual concerts.

The Chorus performed on Dec. 10th at its annual Christmas Concert for the Mother's Club at Lourdes H.S.; and on May 16th the Chorus held its annual Spring Concert also at Lourdes. On Saturday, Dec. 18, they performed with the Chicago Choral Society and the Chicago Symphony Orchestra at the Beverly Art Center. They were also invited to sing the oratorio *Elija* by Mendelsohn with Symphony and Choral Society at Orchestra Hall on June 13.

The North Central Association lauded the Chorus for its excellence and achievements. The Chorus and Band are the only extra curricular activities that award academic credit in music ($\frac{1}{2}$ credit per year) to active members. Yet the Chorus is completely self funded. It holds two dances each year and collects some dues. It uses its funds for travel, music, a piano, accompanists, and various audio and visual aids. The treasurer, Jim Jania, handled the funds. The other officers were: Tom Cohan, Pres.; Al Baras and Reid Baras, Vice-President; John D'Alessandro, Sec.; Mike Haugh and Dan Pletke, Librarians.

Radio Club turns on to circuits, gadgets

The St. Rita Radio Club, under moderator Fr. Casimir Pazera, O.S.A., was set up to further student interest in the field of electronics.

Meeting in the Electronics Lab of the Mendel Tech Building, the club conducted lectures in electronics related fields: hi-fi stereo, electronic experimentation, amateur radio, and electric organ circuitry.

The club's major projects involved electric organ circuitry and radio-controlled cars, while the St. Rita short wave station, WA9DNX, reached Augustinian missionaries in Peru, and the U.S. Navy Antarctic Radio Station.

Science Club supports individual research

The Mendel Science Club is a student organization moderated by Fr. Flaherty. Its purpose is to allow students with interests in science to get together and make use of the school laboratory facilities. The only membership qualification is interest in science. The club normally meets every two weeks and members can use the biology lab after school. This year dues were collected and used to purchase equipment for the club's research projects.

The club, with Fr. Flaherty's help, planned field trips to universities and Argonne National Lab, and obtained movies and visual aids. Club members launched several

model rockets, performed soil analysis, and learned to use the geiger counter. Members also made various fungus cultures and performed chemistry experiments. Many members use the lab facilities to help them put together their science fair projects. Twenty-six Rifa students attended the Catholic Science Fair at De Paul University on April 17, 1971. Robert Bara, Vytautas Bendokas, James Bonk, Robert Knoll, David Pilipauskas, John Karmota, and David Gryski all received first prizes and advanced to the State Science Fair at the University of Illinois.

Teachers help maintain Rita's excellence

The St. Rita Teacher's Association was organized to unify the St. Rita faculty in their endeavors to strengthen the scholarship of the faculty and students of St. Rita. The Association strives to promote a spirit of co-operation and fellowship among the faculty community and between the faculty and students. The Association has become increasingly active in its efforts to strengthen St. Rita's position in the academic and civic community.

The Association and its appointed committees play

a major role in influencing the educational programs and community programs of this school. The members meet regularly on Fridays at open meetings to discuss and implement programs vitally linked to maintaining the acknowledged academic excellence of the faculty and school. Mr. Aldo Rugai, with the aid of faculty volunteers, took over the task of recruiting perspective Rita students from the city's grammar schools. Their efforts produced one of the largest freshmen classes in years.

Mr. Donald Racky, among his many other duties and activities, was Vice President of the Association.

Mr. Gene Farrell, as Secretary, kept the minutes of the sometimes copious Association meetings.

Mr. Joseph Bamberger, President of the Teacher's Association, addresses the membership at an Association meeting in the Faculty Lounge as Mr. Bernard Kill, the Treasurer, looks through his notes.

Council presses, gains new dress code

The Student Council is the official representative body for Rita's students. It is composed of elected sectional representatives, the president, vice-president, secretary and treasurer of each class, and also has its own officers. The Council meets regularly to discuss student proposals and to plan for future events. It is part of the Student Councils responsibility to organize and promote the Proms and the Homecoming with the aid of the Director of Activities, Mr. John Erb. It was Mr. Erb who was the council's administrative representative and spokesman when it sought to liberalize the dress code. The final acceptance of a new code by the administration, and the establishment of the Dress Code Committee was one of the years major achievements.

Cheerleaders, Pep Club arouse school spirit

The new St. Rita Pep Club, along with the St. Rita girl cheerleaders, added enthusiastic support to the year's athletic and social events.

The Pep Club officers, President Bob Veleta, Vice-Pres. Jim Berryhill, Treasurer, John Clark and Secretary Tom Seymour, with Pep Club members, worked to encourage all school activities, though Mr. James Kane, moderator during the first semester, felt that the club was organized for "the fun of cheering on your team."

During the football season the club and cheerleaders sponsored the giant rallies for the Championship Mustang team. The club made itself represented at all major and most minor sports, with the cheerleaders keeping the cheers coming even in the below-zero weather of the championship games at Soldier Field.

Fr. Donald Lewandowski, took over the moderatorship in the second semester when the club's activities included cheering at the hockey and basketball games and sponsoring the annual Faculty-Varsity Basketball Game.

The only opportunity to catch a few minutes of the game action is between leading cheers.

Mr. Bob Hickman, head football coach of the University of Illinois, was the principal speaker at the 1971 Alumni Banquet.

Alumni find new moderator

The Alumni Association was in a period of transition with the change of leadership to Fr. James McGowan. The previous moderator, Fr. James Sinnott, headed the organization since 1961 but resigned last year because of the pressure of his other duties as St. Rita Prior.

Fr. McGowan looks for many changes in the Alumni Association. He moderated it from 1954-1961, when there were only 100 members and raised enrollment to 7800. Fr. McGowan saw a definite need for organizing and worked to remove the low morale as a move to renovate.

In his efforts to get the Alumni Association rolling

again, Fr. McGowan planned an organization of a graduating class chairman for each graduating year. The Alumni Newsletter, long neglected, was also revived to keep the Alumni in touch and interested in the school. The Alumni banquet, held every March, was improved by stricter planning and more social functions such as a memorial Mass, a dance, and awards were organized.

As Fr. McGowan put it, "The major interest of the Alumni is to turn graduating seniors into an organized group that helps each other out and can rely on each other and be proud of it."

Fathers' Club continues service tradition

Continuing its tradition of service to the school, the Father's Club, moderated by Fr. William Thomas O.S.A., assists in ushering at football and basketball games. It also sponsors two dances each year and a Thanksgiving Turkey Raffle. Proceeds from these go to pay the tuition of students whose fathers die while

they were members of the club.

The club recognizes the efforts of scholars and athletes by awarding \$25 gifts to the highest ranking students at each semester and by sponsoring the Annual Football Banquet to honor the team and coaches.

Mr. Rock, the Club Treasurer, hands Vydas Juskelis a check for \$25, as his father watches approvingly. A cash award is given to the top student in each class. At the right are Tom Baltutis and his father.

Mothers' Club shows concern

The St. Rita Mother's Club used its special events and programs of 1970-71 to raise money for school use, especially the financing of the newly-remodeled Cas-cian room in the Monastery basement. These special events included a "Night at the Races" and a "Bake-less Bake Sale." The special information programs included a talk by Fr. John Chiaramante, resident psychologist of De La Salle High School, titled "A Psychologist Tells It Like It Is" discussing the teacher's role in student problems and a discussion titled "The Use

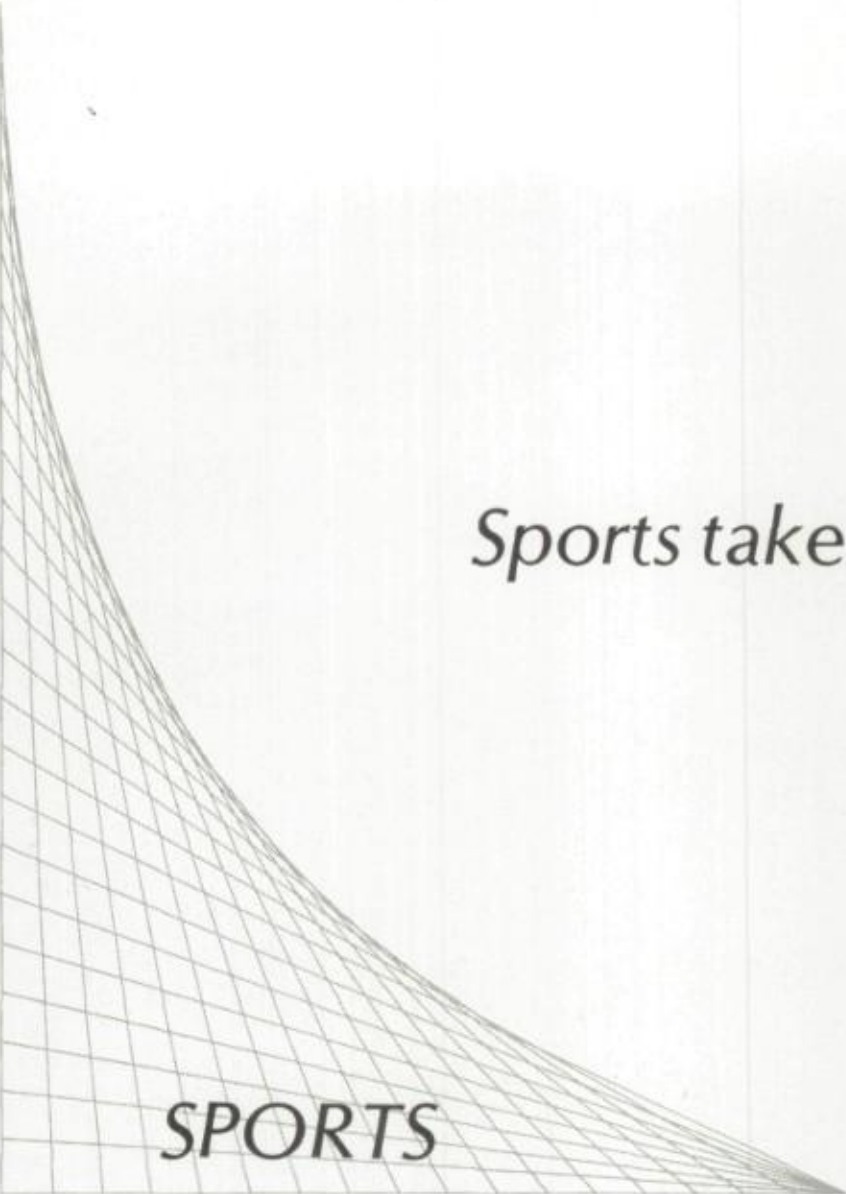

and Abuse of Narcotics" given by Detective Anthony Ragoni reputed to be Chicago's leading authority on drugs.

Last year's officers Mrs. Harold Cappel, President, Mrs. Clarence Sharp, Vice-President, Mrs. William Mulvihill, Secretary, and moderator Fr. Richard Allen operated the group planning and awarded Mrs. Evelyn Pavalonis the "Mother of the Year Award," at the annual installation dinner held at the Beverly Woods restaurant.

Sports take work, practice and pain

Athletics usually mean muscle, but it takes more than that to be champions. It takes work, practice, pain, and a lot of guts. It takes people who aren't afraid of using their animal energy to win school pride and self-respect.

But success means a change. Champions are no longer boys on a sandlot, but are the smooth-operating near-professionals that achieve success under fire and still remain sensitive people.

They are part of the unity that makes a high school.

Championship team built around talented players

The 1970 Mustang football team brought St. Rita its first city championship in 7 years. Under Head Coach Pat Cronin and assistants Jack Lord, Jim Hoffman, Robert Glascott, Chris Wiatr, Jim Duffy, and Tim Heinrich the team finished the season with six straight victories and a 9-2-1 record.

The Mustangs capped the season by winning the city championship game over Lane Tech, 12-8. The Catholic League title was won two weeks before over Leo, by a score of 18-12. In other playoff victories, St. Rita knocked off Loyola, who had been ranked first in the state, 14-8. St. Rita defeated Fenwick by a score of 20-8.

Co-captains of the team were Chuck Seivert, Dennis Bartz, Tim Maher, and Bob Wojtalewich. Seivert was voted all-state end and Dennis Lick and Bill Marek all-area. Other honors included the Most Valuable Player award in the City game, which went to quarterback Neil Sullivan. Halfback Bill Marek received MVP honors for the Catholic Title game. Catholic league all-star selections went to Seivert (first team), Marek, Lick, Bob Eppenstein, and Tom Schumacher (second team).

Coach Cronin was selected Chicago Coach of the Year. It was his second year at St. Rita as the team reversed its last place performance of two years ago.

At the annual football banquet sponsored by the Fathers' Club, on December 13, Dennis Bartz was selected MVP and Neil Sullivan Most Improved. Alex Agase, the number one college coach of the 1970-71 year, was a guest speaker at the banquet.

"Small" freshman team had strong season

St. Rita's freshmen gridders finished the 1970-71 season with a strong 5-1-1 record, tying with St. Laurence and losing to an undefeated Brother Rice team. The team had a one hundred and ninety pound average weight on the line, but spirit, not size, was the determining factor.

Co-captain Mike Strimel, who played halfback, cornerback, and kicker, was named Most Valuable Player by the Mustang freshman head coach Gene Gleason and assistants Ray Konrath, Al Styczinski, and Jim Fitzer. Best future prospects were co-captains Strimel, tackle Mike Sambo, guard Steve Lick, and regular linemen Ken Domagalski and Tim Manning.

Also under Coach Nowak, the Bantams finished with an 8-9 overall record, with the team's "greatest" game being a practice match with Weber, in which the Bantams scored 82 points.

Lights close in fourth; Strimel 1st in scoring

Bruce Strimel (who couldn't measure in for the Flys in 1969) managed to measure in for the lightweights in the 1970-71 season. Although he apparently shrank, his talent did not as Strimel led the team in scoring with a 16 point average and ranked second in rebounds with 73.

Gary Pitonyak and Frank Algozino backed up Strimel with league scoring averages of 13 and 7 points respectively while Algozino controlled the boards with 84 rebounds.

Despite a strong 4-2 record for the first half of the season, (second place) the Lights missed out on the playoffs by losing the last four games of the season, and beating only Mt. Carmel in the second half.

Strimel continued to lead the team during the rush, scoring in double figures in all six games, but it wasn't enough as the Lights couldn't win a home game and finished 5-7 for the season and 9-14 overall, in fourth place of the South Section.

Don Maher — star in late season surge

Heavyweight Captain guard Don Maher averaged 27 points per game in the second half of the season to reverse the poor first half record, and carry the team to a 6-6 season record.

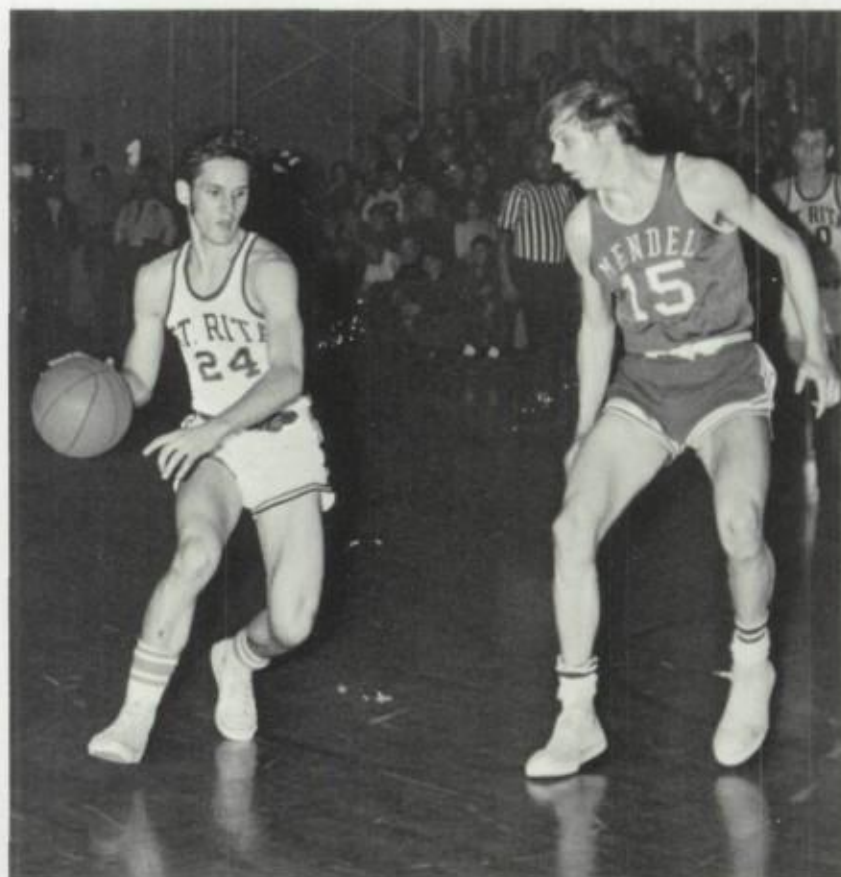

Leading the team in steals, Maher scored his high school high of 32 points against St. Laurence, accounting for nearly half of St. Rita's points in the 68-64 victory and stealing the ball four times.

Carlyle Mitchell, 6'2", and Dennis Lick, 6'3", led the team in rebounds with 101 and 107, respectively while Lick finished second to Maher in scoring with an 11 point per game average.

Sophomore Jim Czajkowski, 6'3", put on a versatility show by playing center (one of the smallest in height and muscle in the league) while Lick was playing Championship football and then schuttling between guard and forward with Buddy Stolspart, during the rest of the 12-14 total record season. In spite of his inexperience, Czajkowski finished third with 74 rebounds and contributed a 20 point game during the second half surge.

Pitcher John Bukowy fires a strike to retire seventh Fenwick batter in a row.

Junior pitching leads varsity baseball

Four returning seniors, Don Maher, Neal Sullivan, Paul Sweas, and Dean Mackowiak, plus a nearly all junior pitching staff carried the Varsity Mustangs to a 6-13 season record and a fourth place Catholic League finish, behind Coach Joe Porrvechio.

Coming off a hot practice season against public league teams, losing only to Kennedy 3-2, but defeating Harper 23-3, the team expected their 3-1 record to be prophetic.

Better seasoned pitchers and the tougher Catholic League teams, however, hurt the Mustang hitters, so the majority of season victories came from sharp pitching performances like those of Tom Lunz whose early season shut-outs (a two-hitter against Mt. Carmel and a four-hitter against St. Laurence) kept the Mustangs from an early cellar.

The Junior Varsity picked up a new coach, Mr. Raymond Nice, and was in a period of rebuilding, using many freshmen pitchers as most of last year's good material has gone to the Varsity. They finished with an 8 win - 8 loss record.

Track Men star in assault on records

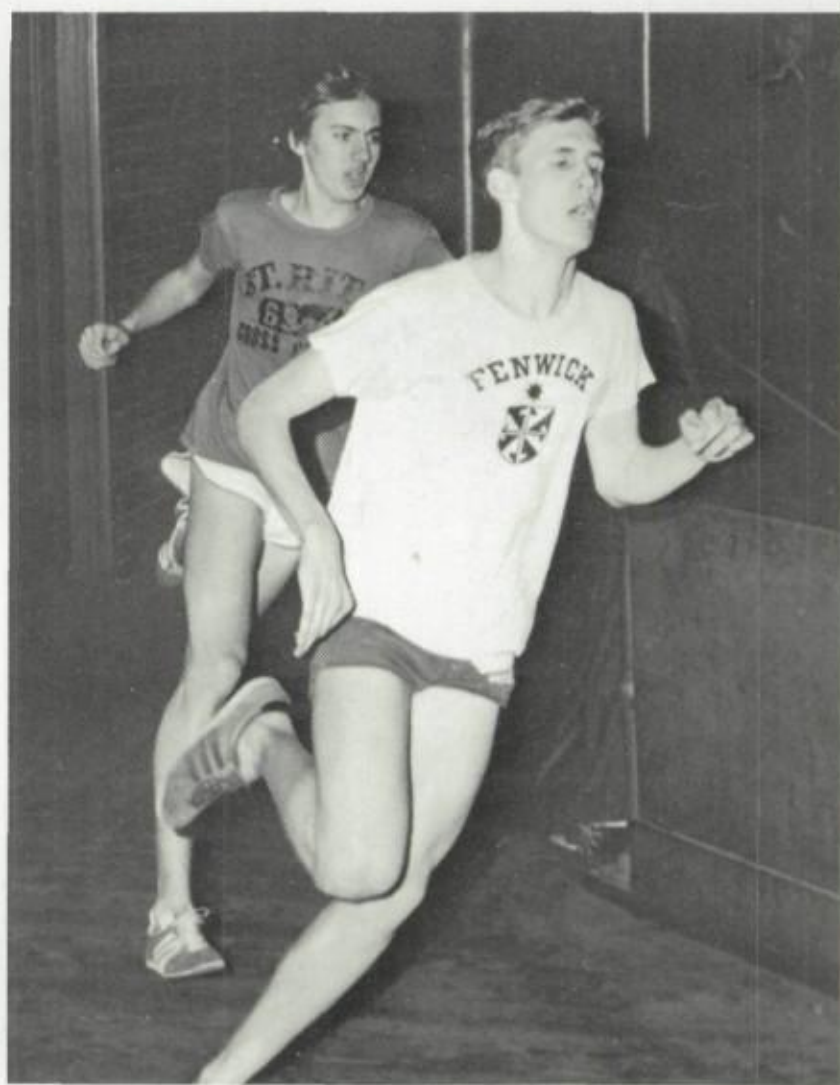

The track team sprinted out of one of its most successful seasons in recent history. It left behind an indoor meet record of 9 wins and 1 loss, a 16-5 outdoor record, and a string of 18 broken records. Head Coach Mike Eckert commented that it was a year of outstanding performances by the team.

A leading record breaking performer was John Eisenschenk, a second year track man. In the All Star Meet, featuring the best of each team in the league, he broke the old 4:43 school mile record with a 4:37. He later broke his own record with a fast 4:29. In the mile relay, John Eisenschenk, Dan O'Dekirk, Ken Chmora, and Greg Marzec combined to win the school record by running a 3:47. Sophomore Angel Vasquez captured the JV mile and two mile records with times of 4:48 and 10:17. While, in the Varsity two mile event, Fred van den Hendre ran a record 9:58.

In the sprints, sophomore George Ross and junior Greg Cozzie broke the school JV and Varsity 60 yd. dash records with blistering 6.3 second dashes. They were also on the 880yd relay team that broke the Catholic League record for this event.

Oliver and O'Dekirk gained valuable points in the field events. Oliver's performance in the high jump earned him a letter. And Dan O'Dekirk led the field in the pole vault. Field event places helped Rita to tally more points at So. Section than in the last 10 years.

However, for many of the track men, the end of the league season isn't the end of track as they participate in summer running programs. Through a University of Chicago program, Distance Coach Jack Bolton, John Eisenschenk, and Joe Jackson ran in a 24 hour relay with five other teammates. Each man ran about 31 miles to win a national 8 man, 24 hour relay record.

Cross Country Team compiles best meet record

The St. Rita Cross Country team compiled its best record in the history of St. Rita high school. The varsity finished with a record of 20 wins and 5 losses. The Frosh-Soph finished with 17 wins and 8 losses.

Included in this season was St. Rita's first victory over Bro. Rice and a scoring show by Fred Van Den Hende and Bill Cihon, who took first in 17 of the 25 meets.

Van Den Hende won in style, breaking the Marquette Park record for the 2.75 miles with a time of 14:53 and breaking the St. Rita two-mile record with a time of 10:15. Van Den Hende was Varsity Captain and finished 5th in South Section, 9th in the Catholic League and 29th in the all-star city meet.

Cihon ran record junior times and finished 12th in South Section and 9th in the Milwaukee Invitational Meet, in which Rita finished second against some of the best track teams in the state.

John Eisenschenk finished 3rd in the Milwaukee meet and managed 11th in South Section and 20th in Catholic League.

The Frosh-Soph team finished first to sixth to sweep St. Rita's first triple shut-out over Lake View, Waller and St. Benedict.

Mike Rohloff ran record sophomore times and Jim Rycek and Ron Santor ran record freshmen times.

Angel Valesquez was Frosh-Soph Captain and finished 15th in the South Section, 16th in Catholic League and produced a pull away victory over Taft by 10 full seconds.

Mustangs make it to Ken

Forward John Bukowy and goalie Tom Baskys provided the offensive and defensive push as the Mustangs played it down to the last game of the Kennedy Cup playoffs. Bukowy was the team high scorer and was, in fact, the only person to score in the first two season games. In spite of his momentum, the early season defense let too many shorts come at team M.V.P. goalie Baskys, losing the first two games 7-1 and 4-1.

Experience tightened the defense and energized the offense as Bill Mega, John Malone, and Jeff Juracka eased the offensive load on Bukowoyand a unified de-

fensive effort eased the load on Baskys. The load was eased so much that Baskys picked up two consecutive shut-outs, against Mt. Carmel and the up-until-then undefeated Bro. Rice team.

With Baskys last shutout, the Mustangs made it to the playoffs as the fourth team and a long, long shot. The odds got better, though, as Rita knocked off Loyola in the playoffs and faced Bro. Rice. The Rice skating was too much, however, as the Mustangs lost two to the Rice Crusaders.

The Varsity bowling team followed the example of the Varsity football team by taking City Championship. The team, under the direction of Fr. Ralph Giovenetti, was South Section champs last year and benefiting from greater experience and returning members Ken Gonski, Ken Sobkowiak and Ralph Krok, it went all the way.

Captain Ken Gonski was named All-Catholic and Ralph Krok was named Bowler of the Year. Mike O'Connor took high series for the Catholic League with a 645.

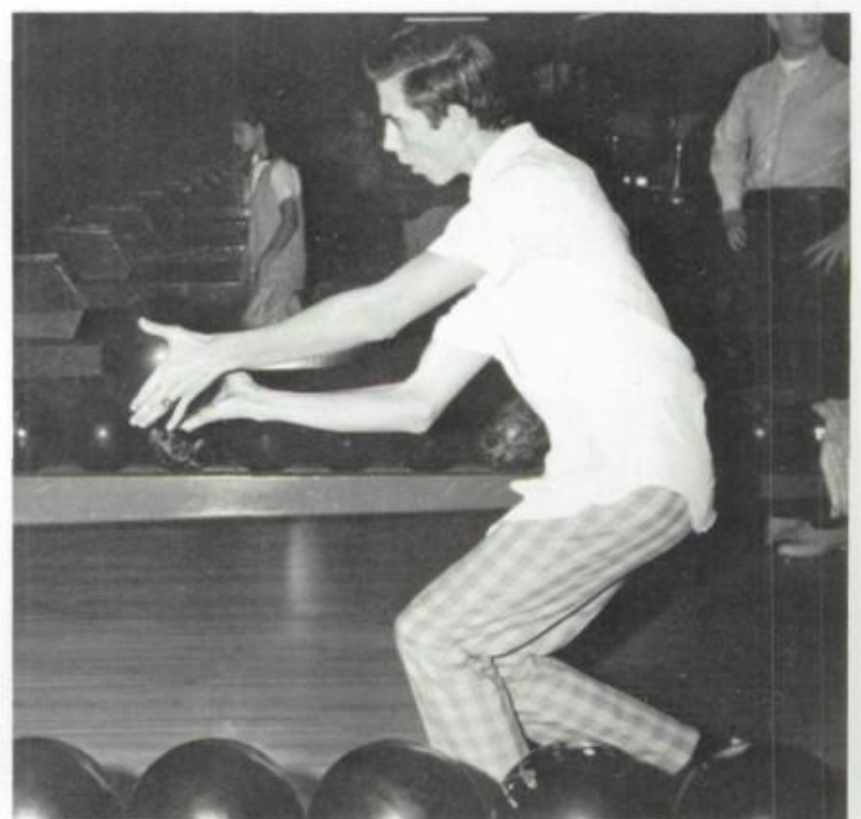

In the All-Star games, bowled on lanes never before played by Rita, Co-captain Ken Sobkowiak had high series with a 583 with Ralph Krok and Ken Gonski having 200 games in the St. Rita victory.

Varsity alternate Dan Tracey readies to roll a strike in his first team appearance. To the left, Ken Gonski, Mike O'Connor, and Ken Sobkowiak applaud the results of Tracey's effort.

Mike O'Connor prepares to roll a strike during his season high game. To the left, O'Connor checks scores for accuracy.

Back row: Ed Kernquer, Bill Stalzer, Joe O'Keefe, Tom Ekins, Ken Dodge, Mike McGinnis, Paul Glazar (coach). Front row: Tom Bates, Randy Fedro, Robert Schimanski, Joe Skertt, Joe Augustin, Tom Sapp.

Ray Pupelis waits to tee up for a practice round at the Marquette Park course.

Mike McGinnis taps the ball at the flag as he two puts the first hole.

Golf Team drives to fifth place finish

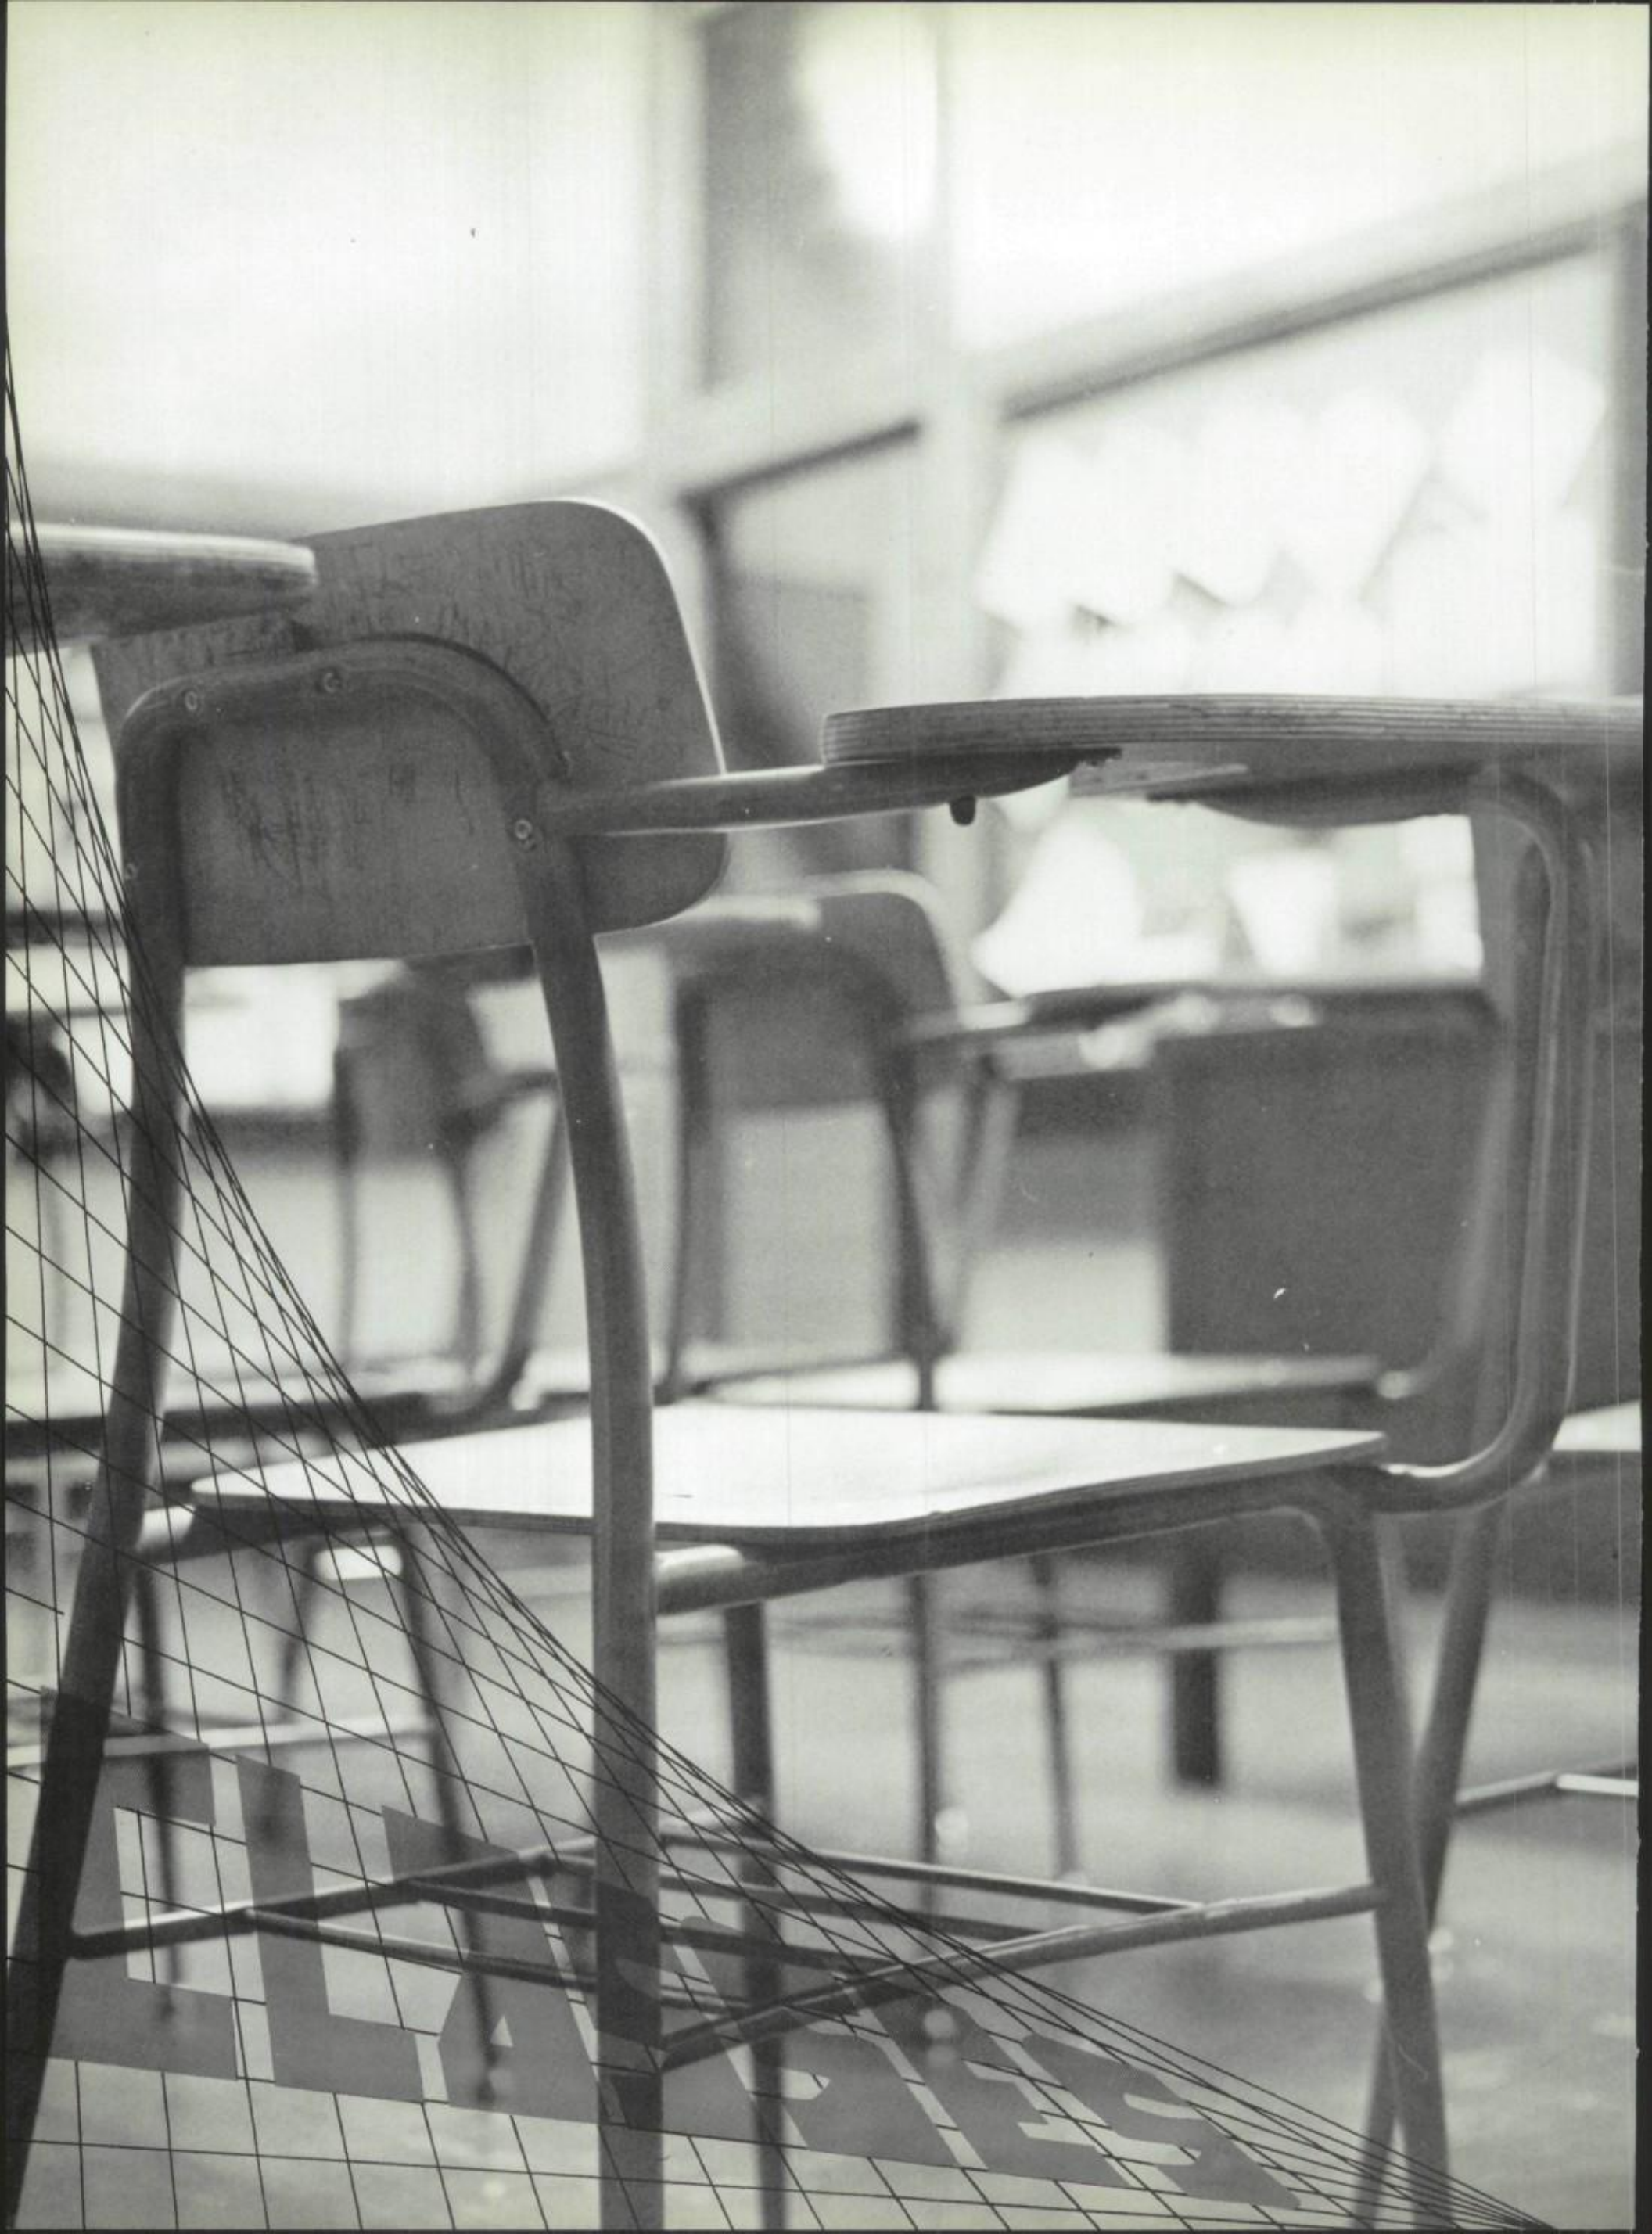

Mike McGinnis and Ray Pupelis, who finished one-two in the St. Rita Golf Open, and Tom Sapp of the Junior Varsity, led the St. Rita Golf team to a fifth-place finish in the annual Catholic League Tournaments.

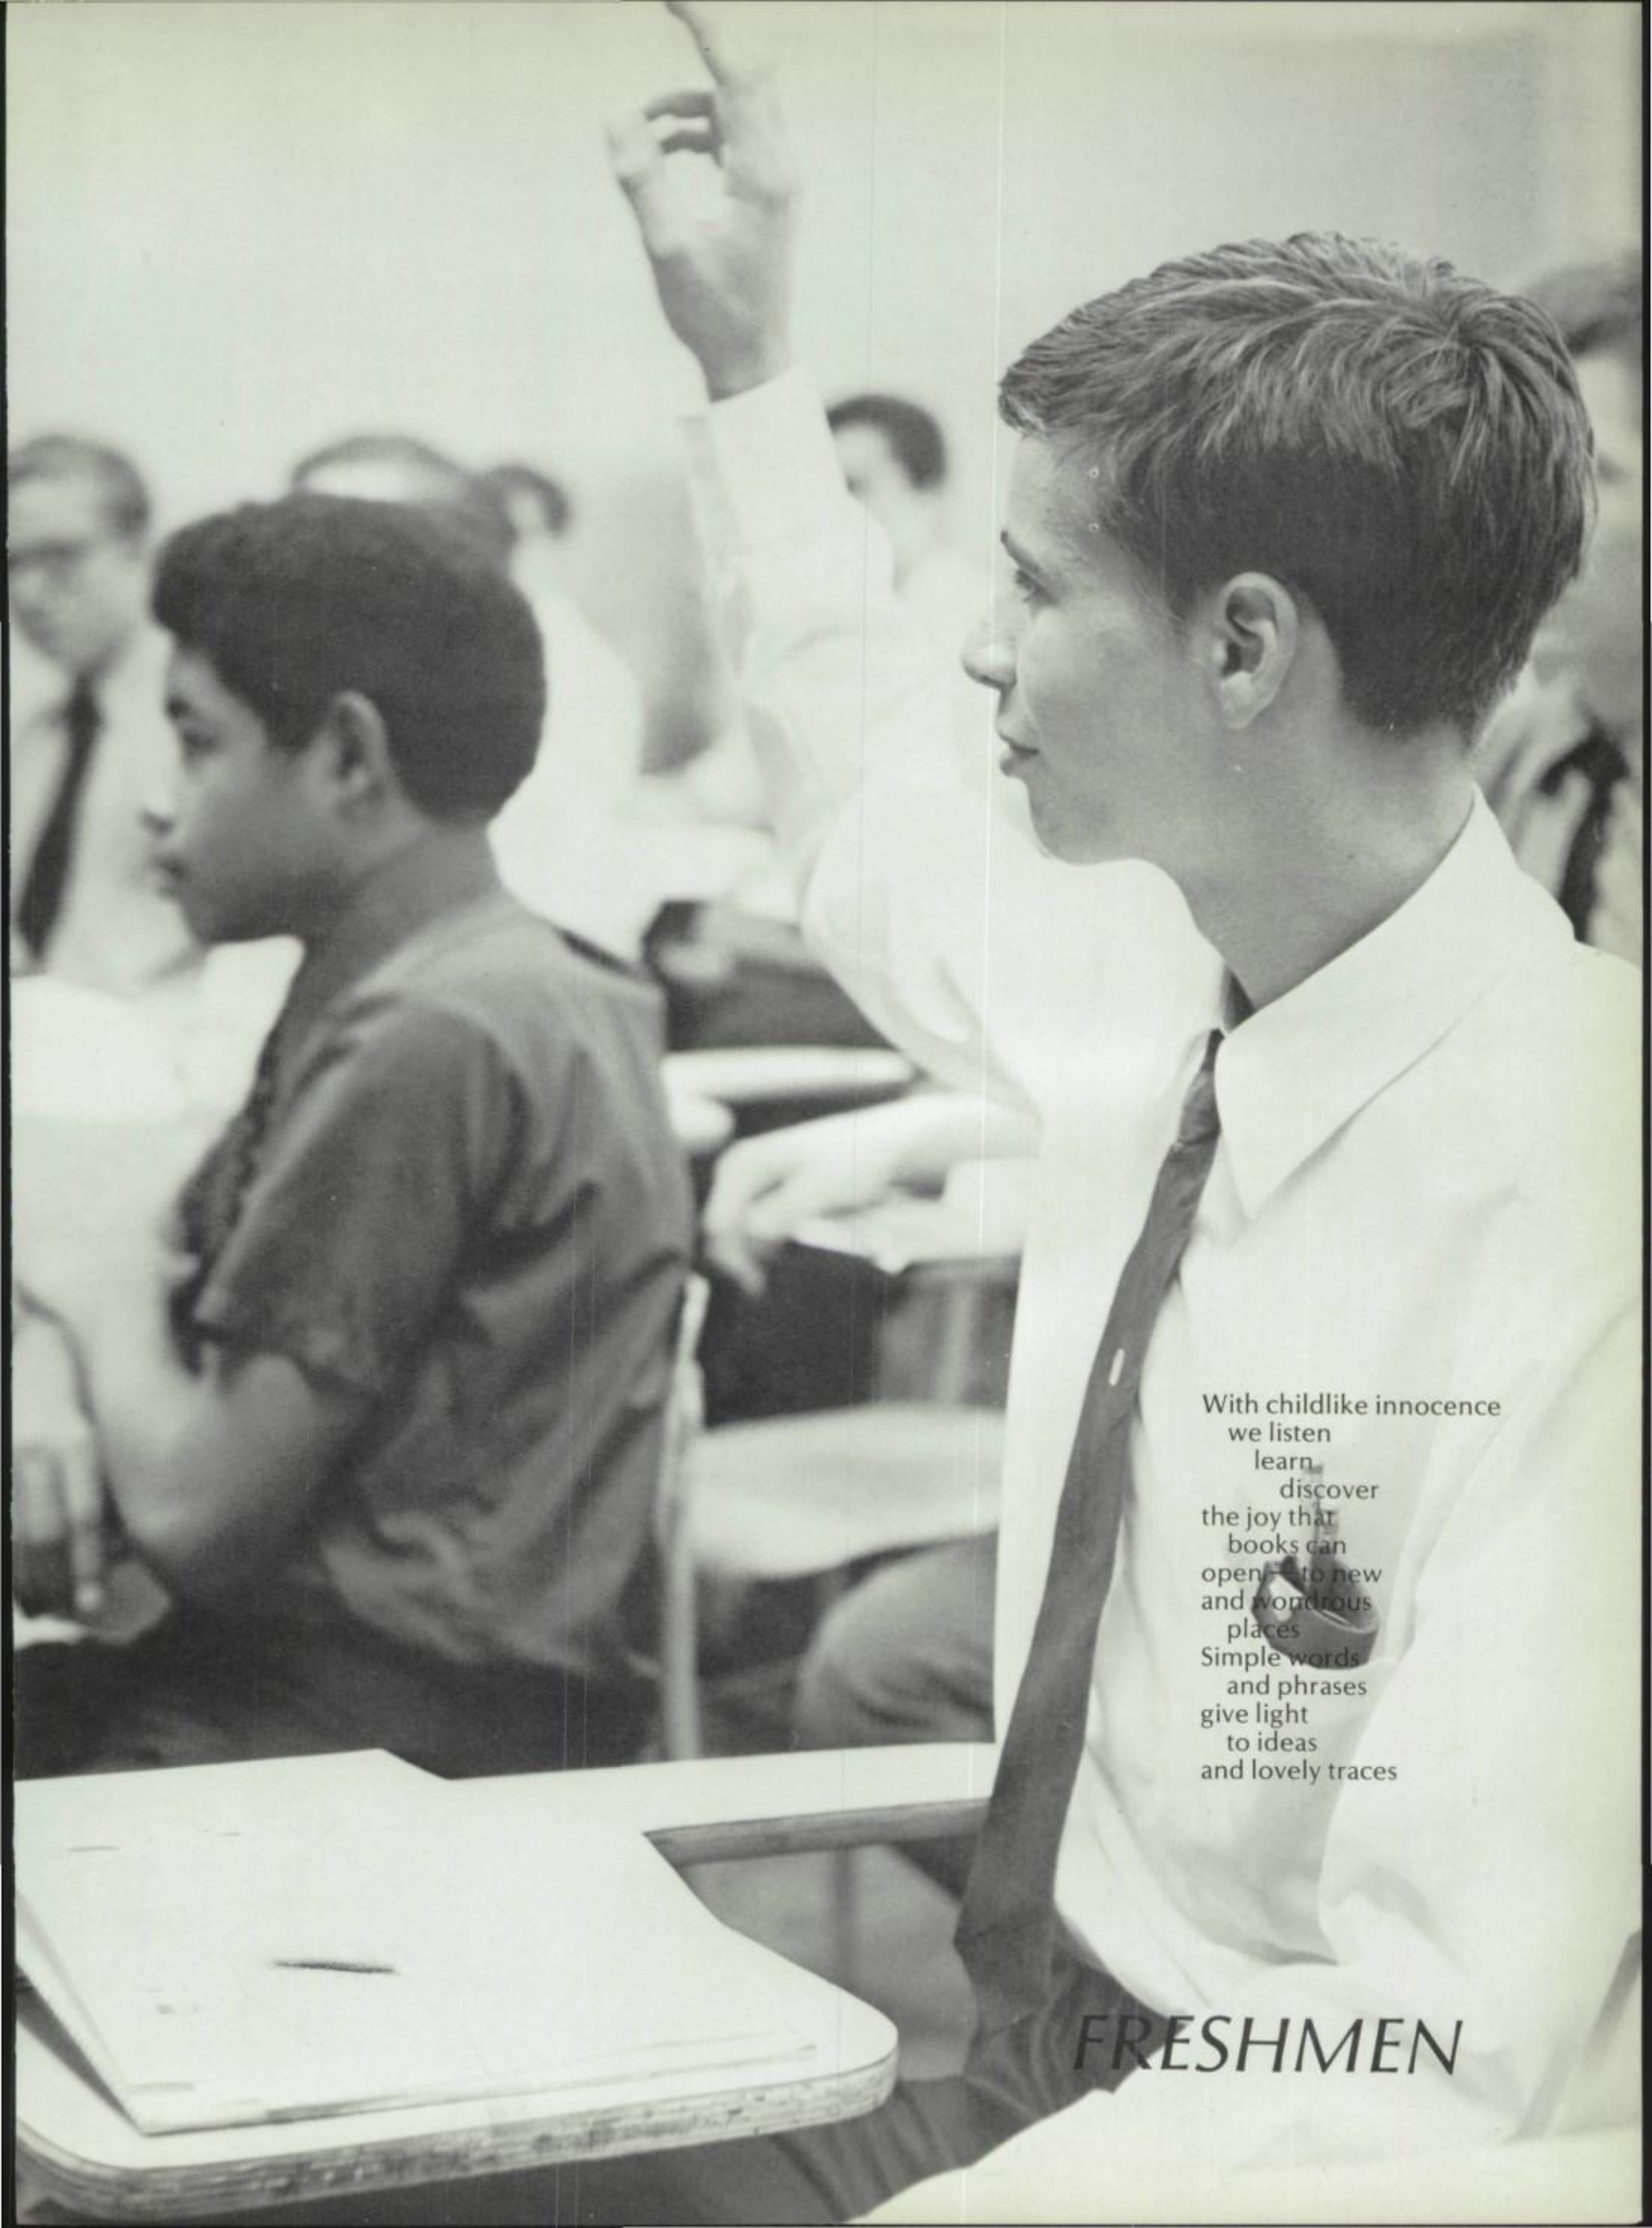

In season play the Mustangs were led by McGinnis who was high man against Brother Rice (who lost to Rita in 18 hole play), and Fenwick (who beat Rita in nine holes of medal play) with 79 and 42.

Bob Schimanski, J.V. number one man topped the J.V. team with low scores of 45 against Fenwick and Loyola.

*Sherwin Hunt reflects hard work
of willing junior class.*

What now is there for us?
do we proceed onwards
to something in the
future — to an unknown
that waits for us
what and where
we cannot see
but hope
in our optimistic fashion
that maybe
might perhaps
something could be

This day in May
will pass into
the books of history
and find the world
has changed not
so little at all

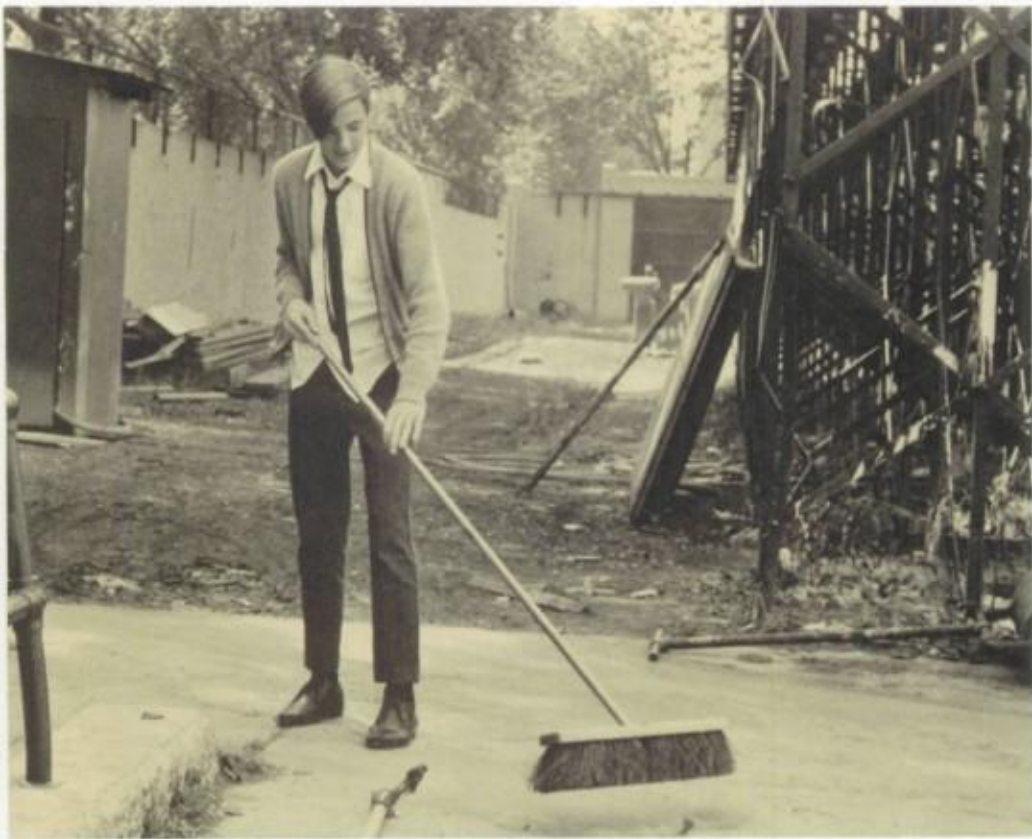

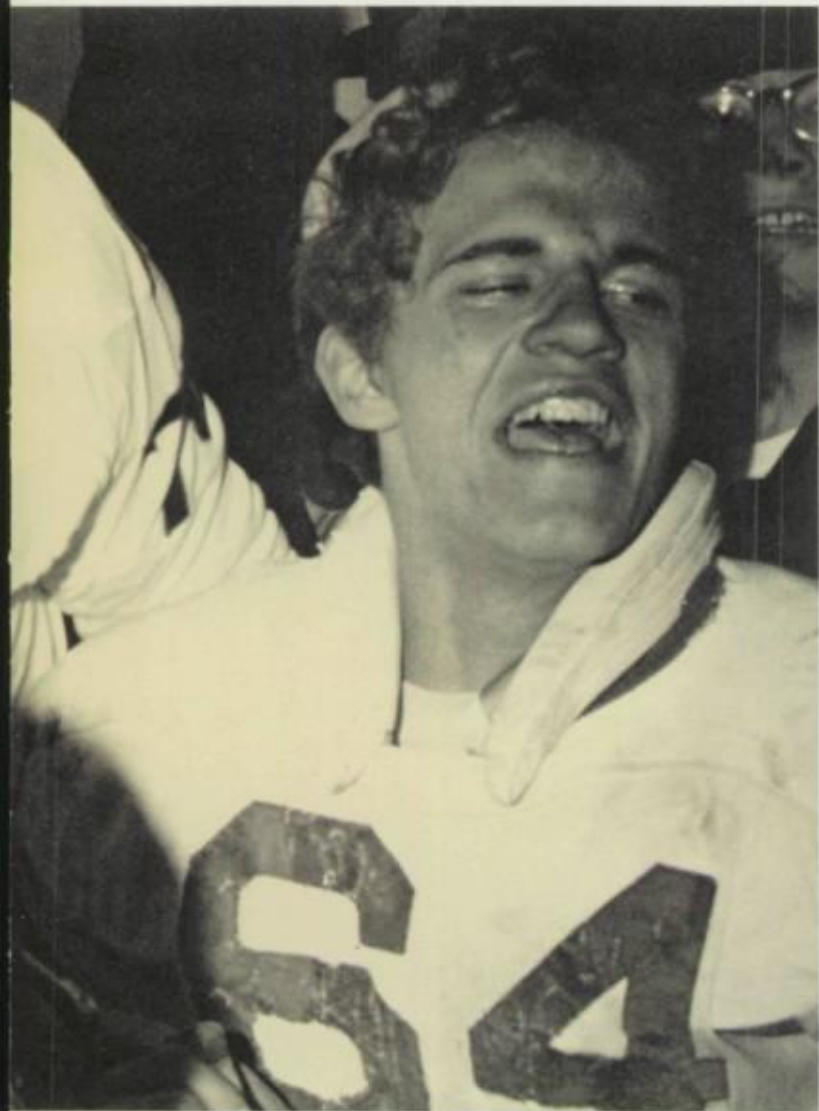

The moments our struggles
leave behind fly all around us—
propel us—change us—pierce the future.
Efforts are endless—each thrusting—
spiralling endlessly forward.

*It's only
The Beginning . . .*
